## GC Park District Annexes New Areas

Acquisition Makes Park Boundaries the Same As Those of City

Land annexations that will make the boundaries of the Granite City park district contiguous to those of the city were adopted by the park board in its regular meeting last night.

Randall Robertson, park attorney, explained the ordinance provided for annexation of a number of tracts including Glenview Subdivisions 8 and 10, Pontoon Plaza and the Dream Villa area.

Also included is that part of North Granite in which the RC Cola Co. and the A. O. Smith Corp. plant are located, a tract of land at the southeast corner of North Granite owned by the Illinois Power Co. and the railroad right-of-way between Granite City and North Granite.

The board last night also approved its 1968-69 operating budget and appropriation which is expected to be completed and ready for adoption by the end of next month. The district's new fiscal year begins May 1.

Additional charges of \$125 for preparation of a map showing the district's new boundaries was authorized by the board which previously provided \$500 for the project. Board members authorized expenditures up to \$1000 for repair of the district's high lift.

**Buy Machine for Rink**  
They conferred with Arthur Schultz, executive secretary of the Illinois State Park Association, concerning the association's dues requirements, and authorized purchase of a new mowing machine from the Madison Lawn Equipment Co. for \$310. The machine will be used to sweep leaves and other debris from the surface of the ice rink.

A resolution requesting distribution of \$779 in back taxes held in escrow by County Treasurer John Macraus was passed. The action was a legal formality to obtain refund money which was involved in 1964 tax objections.

Also approved were plans for summer's tennis program for youngsters on the high school courts to prevent injury to the park courts.

The board authorized payment of \$282 to Rite Electric Co. for cleaning reflectors and replacing lamps in the lights of the softball diamonds at Wilson Park, and approved expenditure of \$373 for purchase of 96 evergreens from Home Nursery Co.

## City's 1st Metered Parking Lot Proposed

Downtown Retailers' to Aid Improvement Near 19th and Edison Ave.

A proposal by downtown retailers to establish a city metered parking lot in the 1800 block of Edison avenue, a short distance off 19th street, was approved by the city council Monday.

The lot, which would be surfaced and lighted, would provide parking for 36 autos and would be directly behind Hub Drive, Stephens, Rutts and Helms shops, Downtown Retailers, headed by Paul Niebur, would finance the \$40,000 improvement to be reimbursed by the city with parking meter revenue over a period of about 10 years.

Council members, noting this was the first detailed proposal for a metered parking lot, readily agreed and instructed City Atty. Allen to prepare the necessary legal documents to be ready for the May 6 council session.

**Self-Sustaining**

Niebur and Ralph Morris, local realtor, told the city officials the lot is expected to produce revenue to pay for the improvements in 10 years or less. They said such lots are being operated successfully in nearby communities.

The 100x120-foot lot would require the raising of the former L&M Auto Supply Co. building, now vacant. A second driveway is to be installed, and there would be three rows of parking. It was suggested the parking meter fees be five cents for a half hour with either a one or two-hour limit.

Income for an eight-hour day, six-day week was estimated at \$885 a year with 95% occupancy, \$673 at 75%, and \$492 if occupancy is 50%.

**Located in Prime Area**

Morris, a local realtor, said the added parking lot is located in a prime downtown area at 19th street and Edison avenue and could lead to development of other such lots to aid the downtown business district.

"This also could bring the city added sales tax revenue," he told council members.

Downtown Retailers would buy the property at a cost of \$34,500, and the cost of clearing and covering with asphalt and chips was set at \$500. Concrete bumper strips would cost an added \$500 to put the total estimated cost at \$40,000. The city is to install meters and lights for the lots.

**Johnson Rd. Bidding**

## 2 Small Children Junior College Vote Set; Quad-Cities Not Included

The Lewis & Clark Junior College steering committee set a date last night for another referendum on a proposal to establish a junior college district, but excluded the Quad-Cities area from the "tentative" makeup of the area that would be included within the district.

Noting that nearly five months procedure is necessary to obtain authorization of an election, the committee set Dec. 5 as a referendum date and outlined a "tentative" list of districts that would comprise the Junior College area.

These include eleven school districts in Madison county, Jerseyville district 100 in Jersey county; four school districts in Macoupin county and three school districts in Calhoun county.

Eliminated from the tentative junior college district area, however, were Granite City District 9, Venice District 3, Madison District 12, Collinsville District 10 in Madison county and Mount Olive District 5 in Macoupin county. These districts polled heavy opposition to the Junior College proposal in their referendum, conducted April 1 last year. The proposal to establish the district was defeated at that time.

**Six Tentative Boundaries**  
The committee, chaired by Arthur Northway, a Wood River banker and president of the board of education of Wood River Elementary District 15, emphasized that boundaries considered in last night's meeting are tentative and will be revised if the districts left off the

## Way Cleared for Bid Opening on Hospital Project

Bids for construction of the proposed new addition to St. Elizabeth Hospital and alterations to the present structure, estimated to cost in excess of \$5 millions, will be opened early next month or the early June, it was announced today following official approval of \$1,362,851 in federal funds.

Approval of the federal grants under the Hill-Burton Act was announced in Washington Tuesday by Cong. Melvin Price.

The U.S. action cleared the way for calling bids and breaking ground for the new addition in plenty of time to meet a June 30 deadline, hospital officials said. Under terms of the Hill-Burton Act, federal funds made through the Illinois Department of Public Health last year, construction work must start during the current U.S. fiscal year which ends June 30.

The award of federal funds in two separate grants of \$616,830 and \$746,020 originally was approved by the Illinois Department of Public Health and the Illinois Advisory Hospital Council last summer and fall, but was subject to final federal approval at Washington before the funds officially could be allocated.

**Reviews Fund Plans**  
The Illinois Advisory Hospital Council is a division of the Illinois Department of Public Health that reviews federal hospital fund applications. The grant approved Tuesday was designated specifically for 12 intensive care beds, 45 extra beds and 100 beds.

## Set Clocks Ahead for DST at 2 a.m. Sunday

Quad-City residents will set an hour of pre-dawn time but gain an hour of daylight Sunday when they go along with most of the nation in a return to Daylight Saving Time.

Throughout virtually all of the country, clocks will be set ahead one hour at 2 a.m. Sunday under the Federal Uniform Time act. The law provides that all states that do not have specific laws against it abide by the Daylight Saving Time schedule.

Only states that have prohibiting laws are Arizona and Hawaii. The uniform time act was adopted two years ago.

Daylight time will continue until the last Sunday in October when the last hour will be regained by turning clocks back an hour.

## State to Begin Park Expansion At Lewis-Clark

Conservation Official Says It Has Priority Over Horseshoe Lake

The Illinois Department of Conservation is giving priority to expansion and development of the Lewis and Clark Park and is discouraging creation of a state park at Horseshoe Lake, a spokesman told the Press-Record yesterday.

Reacting to "intense pressure from within the state and outside the state," the department has asked for land acquisition funds in the 1969-71 budget. Authority. The spokesman said the IBA has agreed to finance five tracts totaling about 217 acres and costing an estimated \$435,000.

He denied a report that his department has budgeted \$875,000 for Lewis and Clark improvements but said administration is proposing to include some engineering and planning funds in their 1967-71 budget.

Engineering studies may be extensive due to a severe flooding problem at the site, he said.

**Link to National Trail**  
In seeking to justify the speed and scope of the action proposed, the official noted that the park already exists, although only about two acres in size, and that it is claimed to be near the point where Lewis and Clark began their exploration of the West. He said expansion is being urged by the National Lewis and Clark Trail Commission.

In contrast, creation of a large wildlife refuge and water recreation area at Horseshoe Lake has never been started although actively sought for many years by residents of the region. The original plan exceeded \$3 million, and a \$400,000 land purchase proposal for Horseshoe Lake was voted by Gov. Otto Kerners in 1967.

Conservation Director William L. Garver had testified in favor of the Horseshoe Lake park plan but the spokesman yesterday was critical of Horseshoe Lake, saying its proximity to railroad tracks and industrial activities limits its potential in terms of the quality of park facilities that could be provided.

**Says Reports Are Advised**  
He said National Park Service and State Conservation Department studies label it as unfavorable for development as a recreational area.

Told that the Horseshoe Lake plan has been supported by several study commissions and was approved by the legislature, the spokesman placed it in the category of a "proposed" project, saying that the plan is in its immediate area than is justified by more detailed appraisal.

He indicated that it is receiving little or no priority in the current budget.

### Detail Program for Armed Forces Week at Depot

Quad-City area service clubs, veterans organizations and civic groups are being urged to conduct their regular monthly meetings, or special meetings, at the Officers Club of the Granite City Army Depot as another feature of the Armed Forces week observance May 11 to 19.

The invitation was extended to all area organizations by Col. Charles E. Hoskin III, commanding officer of the Depot where major phases of the observance will be centered during the week. Army Depot officials and the Tri-Cities Chamber of Commerce are cooperating in plans for the program.

Col. Hoskin said that any club or other group wishing to conduct a meeting at the Officers Club may make reservations by contacting the Officers Club secretary at 452-7300, extension 420 or 550.

From Monday, May 13, through Friday, May 17, the depot will conduct an open house program for which special displays will be set up and recent ceremony also are planned throughout the depot's operational areas. Visitors will be taken on two-hour bus tours of depot facilities twice daily, at 9:30 a.m. and 2 p.m.

**Day-Long Program**

The depot plans a gala day-long celebration on Saturday, May 18, beginning at 8 a.m. and open to the public. Displays of the latest military equipment and many industrial exhibits are being made for a horse show.

Many area school bands and drill teams have been invited to participate in depot events to make the day a fitting climax to Armed Forces Week, Col. Hoskin said.

Refreshment booths will be set up for the convenience of visitors. Special train and bus tours are planned and children will be given rides on various pieces of military equipment.

The theme for Armed Forces week this year will be "Forces for Freedom" honoring today's servicemen. A golf tournament and recent ceremony also are planned.

### Elzie Sheppard, 70, Dies; Ill Three Years

Elzie L. Sheppard, 70, of 2139 East 24th street, a veteran of world war I, died yesterday at St. Elizabeth Hospital, following a three-year illness. He had been hospitalized the past nine days.

A native of Strout, Ill., Mr. Sheppard had resided in the local community for 60 years. He was a member of the 35-Year Club at American Steel Foundries, where he was employed as an inspector prior to retirement a few years ago.

Mr. Sheppard also was a member of Sacred Heart Catholic Church and World War One Veterans, Barracks 34.

He is survived by his wife, Mrs. Kathleen Sheppard; one son, Alonzo W. Sheppard of Granite City; a daughter, Mrs. Wayne (Emma) Smith of Louisville one sister, Mrs. Ruby Wagner of Granite City; a brother, Irvin Sheppard and Kathy Sue Smith.

Funeral arrangements are given in today's obituary column.

### Parking Tickets Issued Along Nameoki Road

Parking tickets were issued yesterday afternoon along Nameoki road in the vicinity of Kirkpatrick Homes where the area has been posted for no parking.

The city has a no-parking ordinance for Nameoki road in accordance with state highway department requirements, and it was decided two weeks ago that signs should be posted and the law enforced during the construction period along the south section.

### Two Radar Arrests

Speeding tickets were issued Tuesday to Thomas W. Weston, 1012 Cahoon street, Venice, at 9:20 p.m. at 1800 Madison avenue, and to John R. Pier, 707 Broadway, Venice, at 7:20 p.m. in the 2800 block of Madison avenue as police operated a radar unit.

### Two Batteries Stolen

Twelve-volt batteries were stolen from 1964 autos of Mrs. Larry Blackwell and Lila Melford, both of 237 Denver street, while the cars were parked during the night in their garage, they reported after 8 a.m. Wednesday.

### Conduct Charge Filed

Billy Dean Earls, 20, of 2202 Illinois avenue, was arrested by police at 11 p.m. Tuesday on a disorderly conduct charge.

### Fifth Grader Wins Top Award at Science Fair

John Billelo a fifth grade student at Nameoki school won one of the highest awards, a Blue Proficiency Award, at the Greater St. Louis Science Fair this week at Washington University. His project, having been judged one of the best, was kept at the fair to be entered in the high school division.

He is the son of Mr. and Mrs. C. Dorsey Zinn, 2036 Pontoon road.

Other local students received Gold Proficiency awards: They were Stephanie Southwick, from McKinley school; John and Lorraine Moore, Mitchell school; Greg Christich, David Gilmore and Michael Meyers, Washington school; and the youngest student entered, Harwell Schrader, 7, Maryville school.

Junior high students from Central who won were Donald

Corbett and Edward Fowler, a Red Proficiency award and Paula Barth, Dianne Emmering, Kenneth Filloff, James Heath, Tom Kahler, Jeffrey Kindle, Linda Meyer, Susan Ripley and Timothy Stombaugh, who received Gold Proficiency awards.

## Illinois Group Opposes Columbia Bottoms Cost

Opposition to the proposed expenditure of funds to provide flood protection for development of the Columbia Bottoms in Missouri for industrial park purposes was agreed upon Tuesday afternoon by directors of Illinois Metro East, local area industrial development group.

The group will send a representative to an Army Corps of Engineers public hearing to be held Tuesday in St. Louis. The Columbia bottoms area is at the confluence of the Mississippi and Missouri rivers.

The public hearing is set for 10 a.m. Tuesday in the Soldiers Memorial, 1315 Chestnut street, St. Louis.

Directors of the development group, who met at the Roundtable restaurant, Collinsville, pointed out that the project would cost \$3,300,000 (\$4084 an acre) to develop Columbia Bottoms with levees, drainage and site acquisition, while levee-protected areas in the vicinity of the Quad-Cities would cost about \$2000.

Earl Jukes, president of the Illinois group, was asked to attend Tuesday's hearing, and the directors also are asking Cong. Melvin Price to be present.

The Tri-Cities Chamber of Commerce is on record opposing the development of Columbia Bottoms either as an airport or as an industrial site because of the "tremendous cost involved in making this ground suitable for such uses."

The development group also plans a special committee to study the establishment of a major airport in Illinois in connection with a recent report by the Illinois Department of Aeronautics that at least three sites in the area are within 12 minutes of downtown St. Louis.

Lakeside Airport has been mentioned as a possibility in recent years.

#### Junior College

list show a "strong interest and indication of support" of the Junior College proposed by the Northway suggested that any of the school districts left out of the junior college area but which may want to be included be given until the committee's next meeting on May 22 to establish proof of their interest and support. Final decisions for the junior college district will be adopted in the May 22 meeting.

Districts now included in the proposed Junior College district include Roxana 1, Triad 2, Livingston 4, Highland 5, Edwardsville 7, Bethalto 8, Alton 11, East Alton Elementary 13, East Alton-Wood River High School 14, Wood River Elementary 15, Worden 16, all in Madison county.

Jerseyville District 100 of Jersey county; Staunton 6, Gillespie 7, Bunker Hill 8 and Southwest Plaza 9 of Macoupin county; Hardin 40, Brussels 37 and Brussels-Redwood 41 of Calhoun county.

### Must File Petitions

First step toward obtaining authorization of an election will be the filing of a petition with the office of County School Supt. Wilbur Trimpe. Deadline date for the petitions is July 1. Petitions for the election then must go to the Illinois Junior College Board which in turn refers such petitions to the State Higher Board of Education. If approved by the Higher Board, the matter is referred back to the Junior College board which then orders the election. This procedure will take from four to five months, Northway pointed out.

If establishment of the district is approved by the voters, the district then may plan construction of college facilities and conduct a referendum on issuance of bonds to help finance the work. A major portion of the cost is paid by the state, but Junior College districts may levy a tax of up to 25 cents per \$100 valuation.

tended care beds and diagnostic and treatment units.

Hospital authorities noted that no official action could be taken in calling bids or awarding contracts until federal approval of the grants was received.

Preliminary arrangements were made, however, for interested contractors to obtain plans and specifications so that they could be ready to submit bids and proceed immediately with construction work once the federal grant had become a reality.

As a result, it was announced, five construction firms have obtained plans and specifications and have indicated they will bid on the hospital project.

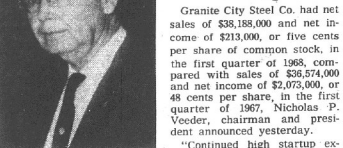

Interested Contractors These include The S. M. Wilson Co. and M. H. We & Co. of Granite City; J. J. Altman Co. of East St. Louis; Nelson Construction Co. of Clayton, Mo.; and the Milstone Contracting Co., Inc. of St. Louis.

Under present plans, the hospital addition would be built first, with construction scheduled for completion in 1970, followed by proposed alterations to the present hospital building to be completed within nine months after the new addition is built.

The building work on which bids now are to be called is the first phase of a 20-year expansion and modernization program at St. Elizabeth.

The hospital originally was awarded a \$10,819 federal grant through the state agencies in 1969, but this later was trimmed to \$778,000 because of the many requests for Hill-Burton Act funds. Last October a second grant of \$616,850 was approved, making the total of \$1,394,857.

## Gerst, Short Promoted At National Lead Co.

L. F. Gerst, general superintendent of the National Lead Co. plant here, has been promoted to production manager for the firm's southwest and midwest areas, and William R. Short, plant superintendent, will be general superintendent here, starting May 1.

Gerst, who lives at Chesterfield, Mo., will be headquartered here but will be in charge of production at about 10 plants and 15 warehouses in an area from Ohio to Colorado and from Canada to Mexico.

Short, who lives at Moro, will be general superintendent of the Hoyt plant here and a plant at Dallas, Tex.

Granite City Steel shipped 300,000 tons of flat rolled steel products in the first quarter this year, an increase of 4% over 1967 first quarter shipments of 291,000 tons. The company produced 377,000 tons of ingot steel in the first quarter of 1968, 9% more than the 345,000 tons of steel produced in the first three months last year.

Veeder said "the national demand for steel remains strong during this period of strike-hedge buying. In addition, we are now benefiting from the return to production of our largest automotive customer which was closed by a strike the first three months of 1968."

Features of the weekly pass are:

Good for unlimited riding from 9 a.m. to 4 p.m. Mondays through Saturdays; good for unlimited riding all day on Sundays and specified holidays; and on holidays, two children under 12 may ride free with an adult passholder.

Good on shopper express, as well as regular buses, with no extra fare; and not subject to zone charges on the first and second suburban zones.

Conduct Charge Filed

Alan L. Minder, 17, of 2033 Washington avenue, was arrested by Granite City police at 9:15 p.m. Wednesday on a disorderly conduct charge.

## Anti-Smut Decision To Protect Youths

The U. S. Supreme Court decision permitting states to establish anti-pornography laws to protect children gives states an important weapon in the fight against smut, according to State Rep. Sam M. Vadalabene of Edwardsville, chairman of the Illinois Obscenity Law Study Commission.

"We have no wish to set ourselves up as censors over what adults may see and read," he said, but we feel there is a great need to protect our children from some of the materials on the market.

The state now has a statute aimed at protecting minors, but its constitutionality was uncertain until now. "We are free to recommend a necessary change in the law to protect Illinois youth without abridging the rights of adults," he said.

## Driver Scrapes Auto

Freddie Butler, Brooklyn, scraped the left side of his auto against the front bumper of a car driven by Cledith A. Milan, 4548 Highway 162, at 3:30 p.m. Tuesday at 1532 State street. Both were headed north.

## Salvation Army Board's Committee Heads Named

Appointment of committee chairmen and a discussion of the 1968 budget were actions taken Tuesday by the Salvation Army Advisory Board at a dinner meeting at the Grand Cafe.

Committee chairmen include: Lavern C. Parker, emergency disaster; Richard West, finance; Clifton E. Blankenship, youth; A. C. Stover, property; Albert Ward, welfare; Harry R. Johnson, public relations; and Randall Robertson, bequests and endowments.

In the absence of Board President Edward L. Stone, the business session was presided by Richard West, vice-president. Projected income and expenses for the next fiscal year were discussed briefly and referred to the finance committee.

The need for additional funds to complete purchase of emergency communication equipment was reviewed and several proposals to get the sum were outlined. Parker said a briefing through B. E. Hohl, Inc., is being arranged for members

## Step Up Area Registration Activity

The new mobile registration unit used by the office of County Clerk Eulalia Hotz to obtain new registrations and update current registration records throughout the county will be stationed tomorrow at the park district's Niedringhaus avenue Community Center in Lincoln Place and on Saturday at the Dunbar grade school in Venice.

The two locations are included in a schedule of special registration periods planned this weekend in an intensified registration drive similar to that conducted by the county clerk's office prior to every major election. The mobile unit will be at the Granite City Community center from 1 to 8 p.m. tomorrow, and at Dunbar school Saturday from noon to 5 p.m.

In addition, deputy registrars will be stationed Saturday at two locations in Granite City to accept new registrations and

record changes. Miss Hotz said, Saturday's special centers here will be located at Maryland Bl-Rite Market, 2205 Pontoon Road, from 10 a.m. to 5 p.m., and at the Kirkpatrick Homes Recreation Center from 10 a.m. until 3 p.m.

Special registration periods also are planned Saturday at Hawk's store at Mitchell from 10 a.m. to 6 p.m., at Eagle Park Acres from noon until 8 p.m., and at Viola Jones homes in Venice from 1 to 8 p.m.

## Trash Pit Flares

A fire in the trash pit at the YMCA flared when touched off by a vandal Tuesday evening and there was slight damage to the low roof of the boiler plant. Firemen were at the scene only a few minutes. No estimate of damage was given.

Registrations and record changes also are accepted daily at Miss Hotz's office in Edwardsville during regular office hours from 9 a.m. to 5 p.m. and for the office to remain open until 8 p.m. daily for registration purposes only from May 6 to May 13, last day registrations may be accepted.

## Moore Named to Board on Special Education in Area

George E. Moore Jr. was chosen by the Granite City school board Monday night to represent it on the special education executive board which will govern Quad-City special education in cooperation with the Granite City, Madison and Venice school boards.

The six-man board on services to handicapped pupils will consist of the superintendent and a board member from each of the three districts. The board changed its agreement with teachers to pay those on sabbatical leave \$5000 a year (120 semester hours or more and a bachelor degree) or \$6000 (150 hours or more and a master degree). Present figures are \$5000 and \$5400, and the higher amounts are called for by a revision of the Illinois School Code.

**Interpret Benefits**  
A memorandum of understanding with Teachers Local 743 was adopted to interpret the working agreement provision under which severance benefits are earned, except in case of death, by "completing the contract year and giving notice of retirement or resignation to the Board prior to July 1 of the year in which retirement or resignation is to occur."

The interpretation is that such benefits are not ruled out when a condition makes it physically impossible to complete the contract year.

Plans for Americanism activities sponsored by Granite City Jaycees in connection with their annual homecoming were outlined by Howard D. Elliot, chairman, who said it is hoped to use the GCHS stadium and other facilities on the evenings of June 17, 18 and 19.

Board members signed letters

inviting President Johnson to attend the Jaycee events.

Mrs. Esther Vasselt, Emerson grade school counselor, explained counseling procedures in elementary schools, including the federally-financed Project Liftoff program in the Granite City district.

Board Secretary Carl Macios and Frank Kraus, assistant to the superintendent, reported on topics covered in national school board and administrator conferences.

### Meet on Athletics

It was decided that the board, administration, athletic director and coaches will meet during May to discuss objectives for the 1968-69 year.

Teachers hired effective with the start of the new term in late August were Theodore Brown, Apt. 88 at 4062 Sara avenue, 1968 SIU bachelor degree, Mitchell sixth grade; Miss Carl of Cease, 2215 Lynch avenue, 1968 Illinois State bachelor degree, elementary class; John Koenig, Flora, GCHS physical education and driver training; and his wife, Patsy, elementary (both Southeast Missouri graduates with two years of teaching); Miss Wilma Schulz, Wood River, University of Missouri, bachelor degree and three years of experience, GCHS girls' physical education and intramural supervisor; and Jerry Rhodes, 2808 Fortune drive, Southwest Missouri bachelor degree with five years, GCHS English.

A leave of absence for the 1968-69 year was granted Mrs. LaVerna Corbett, Route Two, Collinsville, a Prather junior high counselor.

Resignations effective in June were accepted from William Eaton, 2216 Woodlawn avenue, GCHS social studies teacher, who has been offered a three-year fellowship at Washington University, St. Louis, to work toward a doctorate in education; Miss Katherine J. Kratz, 2022 (rear) Cleveland blvd., GCHS art instructor, who is to be married and reside elsewhere; Mrs. Anita Wick, Collinsville, Coolidge junior high home economics teacher; Mrs. Sharon Danner, St. Louis, Central junior high block of time (English and social studies) teachers, whose husband will be stationed away from here with the Army Dental Corps; and Mrs. Marilyn Pich, Nankook first grade teacher, who is moving to California.

Mr. and Mrs. Elmer Wagner, 4149 Lake drive, have as guest this week their sister-in-law, Mrs. Linda Malone of Belleville.

Miss Shari Klann, 4248 Highway 162, accompanied Mr. and

**DISCUSSING ELECTIONS** and issues affecting agriculture and industry at the 22nd annual Business-Industry-Agriculture dinner Wednesday night are, left to right—Howard Kaseberg, president of the Chamber of Commerce of the Tri-Cities; guest speaker Leonard Gardner, assistant to the president of the Illinois Agriculture Association; and Otto H. Romann, chairman of the chamber agriculture committee.

## B-I-A Guests Urged to Participate in Politics

Area residents were urged to become participants rather than spectators in the 1968 elections during the 22nd annual Business-Industry-Agriculture dinner conducted Wednesday night by the Chamber of Commerce of the Tri-Cities at the Granite City high school cafeteria.

Speaking on "Your Stake in Politics in '68," Leonard Gardner, assistant to the president of the Illinois Agriculture Association, told 210 persons attending, including 102 farmers, that they should gain knowledge of all candidates of both parties and of the prime concerns of congressmen.

He said that agriculture is not a major issue in this election year, but that the current key issues affect farmers and businessmen equally. Gardner, reared on a 200-acre grain and livestock farm at Heyworth and now a resi-

dent of Bloomington, distributed questionnaires on candidates from both parties running in the June 11 primary election.

He was introduced by Otto H. Romann, chairman of the chamber's agriculture committee. During the program certificates for outstanding achievements during the year were presented to 11 members of the Quad-City Sunrise 4-H club. They are Milan Babic, Peter Bobie, Carolyn Boger, Thomas Boger, Edward Buehrer, Chas. Mueller, Eugene Mueller, Kenneth Mueller, Robert Mueller, Mike Schanuel and Linda Wilkins.

The program was conducted by Howard Kaseberg, chamber president. The invocation and benediction were offered by Rev. Paul Surbey, pastor of St. John United Church of Christ. Dinner music was provided by Jack Johnson at the organ.

## **2nd Conference Loss a 3-2 Thriller With Alton**

Granite City high school lost a Southwestern Conference baseball game to the Alton Red Birds 3-2 here Monday afternoon. It was only the second conference loss of the season for the Warriors.

The Red Birds scored their three runs in the third inning as the leadoff man singled, two players walked and the next three batters singled.

The Warriors came back in the bottom of the inning to score twice as Rich Logan singled, Jim Becker pinch-hit and forced Logan on a fielder's choice, and Ron Laws pinch-ran for Becker. Don Rains was issued a walk. Bob Lewey singled to lead the bases and Gary Simpson singled to drive in two runs.

Warrior Coach Joe Fedora said, "We hit some tremendous shots that any other day would have been home runs or triples, but the wind held the ball up and the outfielders managed to catch it."

Don Rains limited Alton to six hits, fanning five and walking four. Gary Brechault issued seven hits to the Warriors but struck out seven while walking only two. Each team erred once.

The game left GCHS with four wins and two losses in league play, and Alton with the same record plus a tie.

## **Everything's Coming Up Aces For Warrior Tennis Squad**

The Warrior tennis team remained undefeated Wednesday afternoon by winning 5-0 at Belleville West in a Southwestern Conference meet.

The win brought the current GCHS season record to 7-0 and was the 25th consecutive win for the Warriors. Five of the seven 1968 victories have been shutouts.

It was the second time this year that the Warriors have blanked the Maroons.

The teams agreed to play professional-style sets. John VanBuskirk won 10-5, Norman Popmarhoff 10-3 and Mike Loftus 10-4.

Doubles winners were Bill Harris and Louis Muhl 10-3 and Keith Nagy and Mike Weiser 10-0.

Today at 4 p.m. the Warriors will be at Edwardsville.

First in the conference, GCHS turned back Alton 4-1 here Monday as VanBuskirk won 6-0, 6-0, Popmarhoff 6-1, 6-0, Harris-Muhl 7-5, 6-1 and Loftus-Dave Pieper 6-1, 6-3. Jim Carlyle lost in singles, 7-5, 6-6.

All other league teams have lost at least two meets.

## **Golfers Gauge Wind Accurately, Defeat Bethalto, Wood River**

The GCHS golf team improved its record to 3-1 Wednesday by beating two schools at the Arlington 36-par golf course. Granite City had 165, Wood River 189 and Bethalto 208.

Carp Green shot a 38, Larry Knox 41, Dan Jenkins 42, Tom Carmody 44, Earl Anderson 45, Tim Schmiedel 48 and Dave McDermott 52.

Coach Harry Lane said, "This was our best match this season. We were playing against a tricky wind and the boys adapted to it in a hurry."

Only one birdie was recorded, Tom Carmody on the second hole.

## **Undefeated Inter-City Teams Paired**

Peace-setters of the Blue Division, the two local Inter-City Baseball League teams will see their second round of 1968 competition in games at 2:30 p.m. Sunday.

Quincy City fans will get their first chance to see Mercer in a home game, against Maryville (4-0) of the Red Division.

Granite City Steel Credit Union will visit the other undefeated team, Collinsville, Mottor Motors of the Red Division, at Fletcher Field.

Games between once-beaten squads will send Pocahontas (Blue) to Troy (Red) and East St. Louis (Red) to East Alton (Blue).

## **Hockey Playoff Tickets On Sale at Park Office**

The Granite City park district office announced today that it has four reserved seat tickets still available for each of the remaining games in the Stanley Cup hockey playoffs to be played at the St. Louis Arena, including tonight's game.

Reservations may be made by contacting the park office. Tickets are \$3.50 each plus \$1 for round-trip transportation to the arena. A bus will leave the Wilson Park ice rink between 6:15 and 6:30 p.m.

The tickets are available on a single game basis. The park office has reserved two blocks of seats for the playoffs, which will include four games here if needed.

## **Error Beats Chiefs In Extra Innings**

Prather junior high lost to North of Alton here 6-5 Wednesday. In the tenth inning, an enemy player beat out a slow roller to the shortstop and scored on a long fly ball that was dropped in the outfield.

The Prather record this year is 9-5-1. It was the third game that has gone into extra innings.

John Ireland started and pitched five innings; Steve Morcom completed the game.

## **Wind Postpones Game**

A baseball game here between Coolidge and North of Alton was postponed Tuesday because it was too windy to play.

**There's an easy  
way to tell  
a Mercury  
from other  
outboards.**

**It's the  
quiet one.**

If you don't believe us, just drop down to the nearest lake or marina and give a listen. A Mercury outboard is quieter than other outboards to begin with because of the way it's built: internal reed valves, tighter-fitting parts with closer tolerances and Jet-Prop exhaust. But that's just a starter. Mercury adds a rubber-mounted aluminum wraparound cowling with sound-absorbent liner, Dyna-Floater suspension, Power-Dome combustion chambers and sound-sealed remote control and fuel line fittings. ## Jones, Mullinax Lead Triangular Track Win

The Granite City high school track team won a triangular meet against Centralia and Mount Vernon Monday evening at the Centralia track. The Warriors scored 62½ points, Centralia 57½ and Mount Vernon 41.

Warrior coach Jim Morrison said, "I think the team reached a peak of performance Monday night that I have not witnessed for the last five years."

"The boys went up there to win, and did it in style. Actually, we spotted the teams 20 points between them in the field events, where we didn't do well, but we got all those points back on the track."

"We were able to place in 14 of the 15 events."

First-place winners were Jim Jones for the 100 and 220-yard dashes; Rich Hull, 880-yard run; Mike Burris, mile run; Gary Oxford, two-mile run; and Dave Mullinax, high and low hurdles.

Second places were taken by Ricky Rose, two-mile run; the Warrior mile relay team, Carl McDowell, McDuffey, Rich Hull and Mike Allen; and Mullinax in the long jump.

Third place finishers were McDowell in the 440-yard dash, John Frazier 880-yard run; Dan Burris, mile run and Robert Barthelmy shot put.

Fourth were Ralph Rojas in the 440, Mike Allen low hurdles, Barthelmy discus and Gary Johnson, high jump.

## Pitching Falters As Shells Shell Trojans, 14-0

Oh, the score!  
The Madison high school baseball team was thoroughly beaten by the Rosana Shells 14-0 in a Midwestern Conference baseball game played Monday afternoon at the Trojan field.

Coach Lawrence Burnett summed the game as "a total collapse in our pitching staff. Larry Wilkiewicz started but didn't get out of the first inning. Doug DeRosier relieved and was able to get to the third inning, and I used John Ervin to finish the game. We were wild, and when we did happen to throw a strike, Rosana tagged it for a long hit."

The Trojans were held to five hits. Jim Scott got two singles and John Ervin, Bill Campbell and Dale Clinton each singled once.

The Shells' artillery barrage included six runs in the first, one in the second, three in the third, three in the fourth, and one in the fifth.

LIFETIME MEMBERSHIPS award winners for the Nameoki school PTA are, left to right—Eugene Monahan, sixth grade teacher; Mrs. Joan Mase and Donald E. Kopp, principal.

## Nameoki PTA Honors Members

Lifetime membership awards were given to Donald Kopp, principal of Nameoki grade school, Eugene Monahan, sixth grade teacher, and Mrs. Charles Mase, wife of the current president of the PTA during the regular PTA meeting Tuesday evening at the school.

The meeting was opened by Delton Groothuis, vice-president. Charles Mase, president, read the PTA prayer. Mr. Mase was presented with a past president's key chain. The Mase family is leaving for Panama on May 3.

Kopp has been principal of the school since 1962, serving as the PTA president the same year. He has served on ten different committees and was convention delegate in 1962-63.

Monahan served as the 1966-67 president and as vice-president as well as on six committees. He was a convention delegate for three years.

Mrs. Mase has been active in the PTA for the past four years and accepted work on five committees, a convention delegate, representative to the Area Council for three years. Groothuis also presented the principal with the PTA seal to the charter for 1967-69.

The picnic chairman, Mrs. Virginia Hamilton, said the picnic will be May 28 at Wilson Park.

New officers for 1968-69 were installed by Kopp. Taking office were Mrs. Kate Bailey, president; Mrs. Vera Farrow, vice-president; Mrs. Beverly Foote, Marcia Phipps, recording secretary, and Mrs. Katie Wilson, treasurer.

Kopp reported on summer school and the fall term. He said 101 youngsters were registered for kindergarten Monday for the fall term. The present enrollment of 733 will exceed 747 next fall.

Announcement was made of a promotional exercise and awards to be given sixth grade students on Friday, May 17. Students will receive their memory books and awards during this exercise, along with the schedule of class field trips.

The kindergarten classes will go to Grant's Farm on May 24, first grade classes to Ozark Air Lines on May 2 and the St. Louis Zoo on May 17, and second grade students to the Gateway Arch, museum, old court house and a department store on May 1.

Third grade students will visit Ozark Air Lines on May 21; fourth grade students will attend the puppet show "Aldin" at the American Theatre on May 23.

Sixth grade students will go by bus to Springfield on May 27 and sixth grade patrols will attend the AAA ball game on May 10 and the police circus on May 15.

A four-way tie was noted in the room attendance contest and awards will be made at the end date. Refreshments were served by the fifth grade room mothers.

## Puppet Show at Marshall Picnic

The April PTA meeting at Marshall school was opened Tuesday evening with Brownie Troop 1101, under the leadership of Mrs. Rosemary Wilson, conducting a flag ceremony. Taking part were Lisa Camp, Carla Morris, Carolyn Wilson, Linda Faltner, Vicky Kell, Connie Funkhouser, Linda Norris, Susan Chernoff and Lynn DeMontroll.

The PTA Prayer was read by Mrs. Patti Lynn. The business session was conducted by the president, Mrs. Lois Ferrere. Reports were given by Mrs. Charles Vunovic and Mrs. Robert Werner. Mrs. Werner also said the sixth grade trip is to be taken May 10.

Mrs. Jo Ann Brewer, chairman of the school picnic, reported the date will be May 14. There will be a puppet show by the Kozzets Puppets and varied booths.

The group discussed plans to purchase a television set for the school.

Mrs. Alberta Schubert, program chairman, discussed home and school problems.

Patrol boys will attend an evening ball game May 10.

A banner was won by Miss Diane Noffelt's third grade room and refreshments were served by the kindergarten room mothers.

Miss Brunette Todoroff, a new third grade teacher, was introduced to the PTA members.

The executive board will meet May 7 and the PTA May 21.

**MORE ABOUT State to**  
present planning by the Conservation Department.

Henry D. Karandjeff, Granite City banker and chairman of the current Horseshoe Lake Commission, told the Press-Record today he is pleased "the state is recognizing the need for parks and recreation in this section of the state by proceeding with development of the Lewis and Clark Park."

"Still more facilities are needed in this area, as determined by the Horseshoe Lake commission studies and the related planning that has been in progress for more than a decade, I am hopeful that the state will prepare an early site located east of the Horseshoe Lake."

**Allows for Nearby Port**  
Carl A. Ranft and Carl E. Mathias, members of the Lewis and Clark Commission, told the Press-Record that the park plan disclosed yesterday conforms to a compromise agreement reached in January 1967, under which sufficient land will be left south of the park for construction of a port inlet that could serve the vast industrial sites located east of the Chain of Rocks Canal.

The proposed new port is to be situated at the northern end of the eight-mile river canal. The Lewis and Clark Park is to be developed immediately south of the port, on both the southern and northern shores of the Hartford Canal; another park area is planned west of the Chain of Rocks Canal.

Clarence Decker, chairman of the Illinois Lewis and Clark Commission, said at a Lewis and Clark Historical Society meeting this week that, in addition to 217 acres, about 300 acres may be sought from the federal government. The compromise had envisioned a state park of 430 acres.

Decker said the \$675,000 eventually proposed for improvements is to consist of \$200,000 for a museum, \$50,000 shelters, \$100,000 campgrounds, \$100,000 water, \$50,000 toilet facilities, \$50,000 parking area, \$50,000 access roads and \$100,000 picnic sites.

**Negotiations Authorized**  
In advising the Conservation Department that it has approved the plan, the Illinois Building Authority authorized it to begin negotiations for land purchases.

No revenue bonds have been issued as yet. The spokesman said the IBA indicated early this week that it foresees no financing problems despite recent national increases in interest rates.

It is hoped to complete the acquisition this year, although this could be delayed if condemnation is necessary.

Mrs. Judy Dyer, ticket chairman, announces each person purchasing a ticket will note the back of the ticket designates the home they are to visit first. A member of the sorority will be present in each home.

## Musical Program For Frohardt PTA

The Frohardt PTA meeting was opened Tuesday evening by Girl Scout Troop 320 conducting the flag ceremony, led by Mrs. Kiril Kirchoff and Mrs. John Bloodworth, and conducted by Brenda Long, Janet Moss, Sherree Fargusson, Judy Schaler, Peggy Barnes, Jackie Solberger, Jonna Kay Bloodworth, Laurie Wright, Vicky Kirchoff, Debbie Cavins, Janice Hamble and Mary Juhász.

Lee Reid, principal and program chairman, introduced instrumental music teacher, Miss Carol James, and vocal music teacher, Mrs. Linda Carroll, who presented the program "Growing with Music."

Musical selections were given by students Mary Juhász, French horn solo, Patty Bade, Elizabeth Adams, Carol Goldasich and Elmer Humphrey, clarinet quartet. A snare drum solo was given by Harry Bogosian; clarinet solo, Denise Spahr, and a cornet trio, Scott Badger, Tom Banks and Gary Mainer also played.

Mrs. Carroll spoke on music in elementary schools today, stressing it is a part of everyday life in offering a way for self expression, realization, discipline and is a vital social force. She pointed out parents have a responsibility by encouraging youngsters to participate.

**GRANITE CITY JR. SERVICE OFFICERS** for 1968-69 who were installed at a dinner meeting held at Fischers in Belleville. ## Golden Circle Plans Events

The Kirkpatrick Homes Golden Circle Club met for a business session Tuesday afternoon in the Recreation Hall with 29 members attending.

Speakers were Mrs. Betty Liddel, president of the Kirkpatrick Homes Improvement Association and Don Hornberger of the Illinois Youth Commission. Plans were completed for a bazaar and bargain counter to be held with a pot luck dinner on May 14 at the recreation hall. The public is invited to attend from 10 a.m. to 3 p.m. Mrs. Lee McClew will serve as the general chairman and Mrs. Pete Ernst as chairman of the bargain counter.

Those having birthdays in April, Mrs. Rose Elmore, Mrs. Cora E. Cruse and Edward Reid were honored and refreshments of birthday cake and coffee were served.

In the business meeting, the president, Mrs. Jo Ann Kalet, announced the PTA would next week for "Serve the Children Federation." Clothing may be taken to the school next week. Announcements were made that the three sixth grade classes will go by bus to Springfield and New Salem May 2 and the school picnic will be at Wilson park on May 15.

Mrs. Mary Jessee and Lee Reid were named as delegates to the state PTA convention in Chicago May 9-11.

Mrs. Mary Fehrmann, ways and means chairman, announced a talent show for this evening with food to be served from 5:30 to 7 p.m. and the show from 7 until 9. Mrs. Emma Schoen's first grade room won the room at attendance banner. Refreshments were served by the first grade room mothers.

## Jr. Service Club Installs; Mrs. Eddington, President

An installation dinner meeting of the Granite City Junior Service Club was held Monday evening at Fischers in Belleville with the tables decorated with bun baskets filled with yellow daisies and greenery, tall lighted yellow tapers and individual favors of miniature bun baskets filled with yellow flowers.

Mrs. Della Pauly, the club sponsor, gave the invocation, and Mrs. Jo Anne Gaumer the retiring president, installed Mrs. Geri Gavlick as a new member.

During a brief business meeting reports were given by Mesdames Margaret Hornberger, Audrey Jaros, Rena James, Bernice Fitzpatrick and Louise Kovar.

The members voted to sponsor a Little League baseball team this summer and approved a donation to the Cancer Fund.

A new slate of Federation officers was presented and accepted and will be installed at the May 18 Federation luncheon.

Mrs. Rena James presented Mrs. Gaumer with a gift in behalf of the members, and Mrs. Marilyn Bodnam gave her a scrapbook of the club's activities during the past year, which she served as president.

Mrs. James served as the installing officer for the 1968-69 officers. They are Mrs. Wilma Eddington, president; Mrs. Charlene Pohlman, first vice-president; Mrs. Carol Trittschuh, second vice-president; Mrs. Phyllis Stieb, recording secretary; Mrs. Marilyn Bodnam, corresponding secretary, and Mrs. Mary Lou Worthen, treasurer.

Mrs. Fitzpatrick, program chairman presented Mrs. Eddington, Mrs. Gaumer and Mrs. Pauly with the floral arrangements used as table centerpieces.

Prizes were won by Mesdames Phyllis Stieb, Dottie Melkamp, Eddington, Jean Ann Vrenick, Charlene Pohlman, Mary Lou Worthen, Loretta Krekovich, Louise Kovar, Geri Gavlick, Linda Salich, Jo Anne Gaumer and Miss Flora Mae Lensing.

New probationary members introduced were Mesdames Marge Pennell, Sandy Innes, Mary Watkins, Mary Noeth, Sharon, Mrs. Betty Abelter, Titkens. Others attending were Mrs. Eva Burns, Mrs. Candy Kausal and Mrs. Mary Schaffner.

At the close of the gathering, Mrs. Eddington spoke and announced the next board meeting will be May 3 in the home of Mrs. Vrenick, 1534 Cottage avenue.

# Tax Rate Hikes or Utility Tax?

## GC Council Still Pondering Ways to Boost Income

No decisions were reached last night in a three-hour special session of the Granite City council devoted to taxes and city finances.

The session was called by the council's Finance committee and was attended by 12 of the 16 aldermen who heard Finance Chairman Paul Rutledge recommend increases in the street tax to cover special improvement projects and in the working cash fund to build up a 10-cent reserve and for a referendum to be called to establish a 10-cent tax rate for police protection. Police costs are paid from the city's general fund.

Based on 11-month actual expenditures and a "guesstimate" for the 12th month of the current fiscal year, which ends next Tuesday, Rutledge said the city should have a \$282,443 reserve for operational costs until the collection of 1967 taxes starts late in the summer. "This should give us enough to go through the end of July, which is when the delayed tax collection should start," Rutledge said.

Next year, the estimated reserve on April 30, 1963, was set at \$283,000 less whatever year increases are granted for the 1963-64 fiscal year. Rutledge said a 4% increase for city employees would cost about \$36,000.

He also read a letter from the Manufacturers Association of the Tri-Cities, in which the association president, A. P. Steinhilber of American Steel Foundries, said advance payments of taxes could be made by the industries to aid the city with its operations so it would not have to borrow on tax anticipation warrants.

**Utility Tax Studied**  
Further study also is being made of the possibility of adopting an ordinance to establish a tax on utility bills. The maximum allowed is 5%, which Rutledge said would bring in about \$50,000 a year on electricity bills alone.

He noted that the tax would be passed on to the consumer and that utilities normally charge cities about 8% of the total amount of the tax collected as handling charge.

"In my opinion," he added, "it would be cheaper for the taxpayer if the council voted to boost the street tax to 10 cents from the present 5.75 cents that would bring in an added \$71,000. The general corporate tax can go from the present 19.57 cents to 25 cents next year, but this year, due to new state legislation, our fire protection tax was cut from 16 cents to 10 cents."

The finance chairman also noted that the city also could lose next year on other special rates now being levied.

**Immediate Benefits**  
Alderman Boyd and several others pointed out that the city would have to wait until next year to get benefits from increasing existing tax rates and would have to call a special election to get the police protection tax of 10 cents, but that immediate funds could be available with a utility tax that could be geared to meet the city's needs without going to the 5% maximum.

"We could get sufficient funds by levying a 2% or 3% tax," he added.

Alderman Parmley said the utility tax would be better on telephone bills, rather than electricity. "Electricity is a

necessity, but you could call telephones a luxury, and we must consider persons with limited incomes."

Boyd said the utility tax on electricity would be paid by all householders, including those renting property who now pay little taxes to the city.

Alderman Robertson made the only motion of the evening after criticizing the Finance committee for predicting earlier in the fiscal year that the city would be in the red by April 30.

**No Street Improvements**  
"Here we end up with a balance of \$282,000 and gave the people no special improvements during the year. They were vetoed out of the budget and we did nothing in the way of improvements. That \$68,000 for street and sidewalk work was available, and the mayor and the committee have been saying we're broke."

He called for the mayor to appoint a committee of two local bankers, who would select a third member for a fiscal advisory committee. The motion was approved by a vote of 7-6-4. Mayor Parmley commented that he had called upon bankers for advice several times during the past two years and he doubted if they would agree to it again this year.

Rutledge told Robertson, "No, we're not broke, but we do have a financial problem. Costly sewer breaks and other items have wiped out our reserve funds—funds that we could have today if the council had agreed to a higher tax for sewer maintenance."

He continued, "We would have been in serious trouble without the added sales tax income of recent months, and without the \$282,000 reserve we would not be able to pay police and firemen and other city employees for the next three months."

Boyd also was critical of the special improvement curtailment during the present fiscal year. "I was told we'd have a \$260,000 balance at the end of the current fiscal year back when we adopted the budget and the improvements were vetoed. We spent nothing for street improvements, and that's what people are expecting."

Rutledge replied that while a balance had been anticipated during the budget building period, the city had to stay in sound financial condition in the event of an emergency, such as another major sewer break.

### MORE ABOUT City's 1st

derman Johnson, chairman of the Street Committee, and was approved by the council with the lone dissenting vote by Norn.

Plans are for a 36-foot pavement and related drainage facilities, with the improvement to be financed with motor fuel tax funds.

Cost of the project is to exceed \$250,000. Estimated cost for improvement from Franklin avenue around the curve to Penton road is an additional \$250,000, with that section to be carried out later.

Johnson also was given permission to seek bids for the city's annual curb and sidewalk replacement work.

## Area Street Departments to Aid Clean Up Campaign

Cooperation of area street department crews with the Tri-Cities Chamber of Commerce annual cleanup campaign (May 5-8) was announced today by the general chairman, Keith R. Toby.

The crews with trucks will pick up trash at homes starting May 6, in Madison and in Venice and in the area of Granite City south of 27th street. The area pickups north of 27th street will be made the week of May 13.

Chairman Toby explained that residents are to accumulate any debris off their property. If your tin can collection normally is in the alley, that's where the debris is to be placed. If you have no alley, put the trash at your tin can collection point."

Campaign pledges with check lists will be given to grade school youngsters the week of May 5 to be taken home to parents.

Clean up, paint up, fix up re-

crews will not necessarily follow the schedule of the regular garbage-tin can collectors. The two-week period also is being proclaimed for paint up and fix up as well as clean up.

He added that the city street

crews will not necessarily follow the schedule of the regular garbage-tin can collectors. The two-week period also is being proclaimed for paint up and fix up as well as clean up.

Campaign pledges with check lists will be given to grade school youngsters the week of May 5 to be taken home to parents.

**IT'S A-"MAIZE"-ING:**

Biblically speaking, corn in Egypt meant abundance, but the word "corn" meant wheat. In each country, corn indicated the leading crop, and thus it came to be designated "maize" in America. In fact, the modern history of corn begins November 5, 1492, when Christopher Columbus sent two Spaniards to explore the interior of Cuba... they returned with a report of "a sort of grain they call maize" which was well tested, baked, dried, and made into flour.

Corn was vital to all Indians of the Americas: They roasted the green ears, made meal of the kernels of ripe ears, used the cobs for fuel and the husks for bedding. The Incas used the cornstarch for sugar, the Mexican Indians used the stalks for husks, everyone used them for liquor.

Sweet corn as we know and esteem it is a relatively recent arrival on the scene. Richard Bagnell, an army man, brought the first ears of sweet corn to Plymouth, Mass., on his return from an expedition against the Susquehanna Indians. This expedition took place around 1780; it may or may not have been successful, but the corn was a sensational success. Bill Lange, our head produce buyer, told me that sweet corn loses its sugar content when it gets hot... All our corn is iced in the fields and is kept refrigerated 'til you buy it...

## Trojans Participate In Relay Tournament

Madison high school placed 11th of 12 schools in annual relay tournament held Wednesday afternoon at Roxana. O'Fallon won the meet, getting five first places in 15 events. It was the first time O'Fallon has won the meet. O'Fallon had 74 points, Madison 57, Bethalto 50, Carlinville 48, Roxana 27, Dupu 19, Green 11, Southwestern 9, Madison 4 and Mount Olive 0. The Trojan freshman sophomore relay team finished fifth, and Carl Drayton was fourth in the heavyweight 100-yard dash.

## Alton Dragway Races Will Begin Sunday

A field of the top drivers in the nation will be featured at the Alton Dragway this Sunday.

With Double A fuel dragsters, all of the drivers are members of the Midwest United Drag Racers Association. There will be 12 to 14 drivers on hand for the competition.

Eight dragsters will be left to race in round-robin style and divide awards for top eliminator, runnerup, two second-round losers and four first-round losers.

In addition to the featured drivers, 19 regular racing schedule will be followed, running all eliminator divisions with cash payouts to trophy classes.

Gates will open Sunday at 9 a.m. Time trials and entries close at 1:30 p.m., with eliminations beginning at 2 p.m., starting with the first round of Double A.

The Alton Dragway is located one mile north on Fosterberg road, off Illinois Route 140.

## Draft Questions . . . And Answers

Answers to the most frequently asked questions concerning the draft are being answered by the Madison county selective service office, with the cooperation of the state headquarters staff at Springfield.

The county office is located at 132 North Kansas street in the new post office building at Edwardsville. Its telephone number is 1-656-8884.

The sixth series of questions and answers follows:

Q: At what age must I register for the Selective Service System?

A: You must register with the Selective Service System upon reaching your 18th birthday or within 5 days thereafter.

Q: What is the legal basis for the present operation of the Selective Service System?

A: The Military Selective Service Act of 1967, which was signed into law by President Lyndon B. Johnson on June 30, 1967, and Executive Order 11360, which prescribed implementing regulations.

Q: I am enlisted in the Army. How do I register for Selective Service?

A: You must register for Selective Service. Must I register after I am discharged?

A: Yes, within 30 days following date on which you are separated.

Q: I recently employed a woman whom I consider essential to my business. Even though he is a new hire, can I request an occupational deferment for him?

A: Yes. When the registrant files a request with his local board for an occupational deferment, you should, at the

same time, make a similar request. Your letter to the board should describe in considerable detail the duties for which the registrant was hired including the statement that some other employee with his skills and educational background cannot be obtained. Describe briefly the function of the business, its national health, safety, or community interest.

Q: It is my understanding that a registrant who has been declared by his local board to be a "delinquent" is called ahead of all others. What is the definition of a "delinquent" in this instance?

A: A "delinquent" is a person who is not to be registered under the selective service law who fails or neglects to perform any duty required of him under the provisions of the selective service law.

Q: What is the order of selection of registrants in Class I-A and I-A-O that is now being followed?

A: Registrants, including physicians, dentists and optometrists, who are in Class I-A and I-A-O are currently being selected in the following order: (1) Delinquents—age 19 and older with the oldest selected first; (2) Nonvolunteers—age 19-25, single or before Aug. 28, 1965, with the oldest selected first; (3) Nonvolunteers—age 19-25, married or before Aug. 28, 1965, with the oldest selected first; (4) Nonvolunteers—age 26-35, with the youngest selected first; (5) Nonvolunteers—age 18-19, with the oldest selected first.

Q: What is the order of selection of registrants in Class I-A and I-A-O that is now being followed?

### To Our Many Supporters and Friends of Madison School District 12

We, the undersigned, Members of the Board of Education of Madison School District No. 12, wish to express our deep appreciation to all of you for your kindness in supporting and re-electing our good friends and fellow colleagues, namely

**OEL BLUMENSTOCK and FRANK DERNER**

We pledge to continue to give you one of the finest School Systems found anywhere and one that all of us will be justly proud of. We will endeavor even harder than before to operate our School System as effectively and as economically as it is humanly possible to do and in that respect we solicit, earnestly, the whole-hearted support and cooperation of everyone possessing an impartial and an open mind. You can be assured that we will not betray your vote of confidence, for to betray you, we would also be betraying ourselves. We all thank you immensely.

## Shower Honors Miss Koch

Miss Elizabeth Celeste Koch was honored with a bridal shower this week given by Mr. and Mrs. Parker Bigley at the Parc Lorraine recreation parlor.  
Organ music and a program by the Repertory Opera Singers provided the entertainment followed by champagne and buffet luncheon. Pink and red floral arrangements centered the tables and the colors were repeated in the appointments.  
Guests attending were Mesdames Wilma Stack, Minnie Grob, Nelle Roseman, Nora Callis, Donna Dioneida, Mary Ann Cowan, Kay Reed, Bobbie Rosch, Katherine Bogosian, Margaret Belt, Gen Geasley, Connie Koch, Dorothy Baker, Catherine Michel, Anita Brown, Miss Eleanor Grob and Dr. Felicia Koch, mother of the bride to be all of Granite City.  
Mesdames Rosemary Etzel, Betty Anton, Lucy England, Day Cotes, Mildred Shraut, Linda Schroeder, Beth Eldison, Peggy Fridley, Mary Eldridge, Miss Betty Fessler, all of St. Louis.  
Mrs. Estelle Sands of Kansas City, Mrs. Cathy Koch and Rickel Sewell of St. Charles, Mrs. Lorene Morris of Venice, Mrs. Verna Lengyel of Madison, Mrs. Jessie Rixman of Normandy and Miss Mary Morefield of Richmond Heights.

**JUNE BRIDE-TO-BE.** Miss Susan Kay Vinton, who will be married to Frans Thomas VanVoorst III, a son of Mr. and Mrs. F. T. VanVoorst of New Hartford, Conn. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Harold W. Vinton, 3248 Wayne avenue.

## Miss Vinton Is Engaged

Mr. and Mrs. Harold W. Vinton, 3248 Wayne avenue, are announcing the betrothal and forthcoming marriage of their daughter, Miss Susan Kay Vinton, to Frans Thomas VanVoorst III of Lemay, Mo., a son of Mr. and Mrs. F. T. VanVoorst IV of New Hartford, Conn.  
The bride-to-be, a graduate of the Granite City high school, is employed at the Granite City Trust & Savings Bank. Her fiancé is a graduate of the University of Connecticut in Storrs, Conn. He is presently working as a cartographer for the U. S. Air Force Chart and Information Center in St. Louis.  
The wedding will take place June 1 at Central Christian Church on Johnson road.

## REBEKAH LODGE 47 HOLDS MEETING

A regular meeting of Ann Rutledge Rebekah Lodge 47 was held Monday evening at the lodge hall on Nameoki road.  
Mrs. Irene Hendricks, noble grand, was in charge and the usual business meeting was followed by a social hour. Refreshments were served by the hostesses, Mrs. Joyce Bailey and Mrs. Edna McKay.

## Two Sororities At Convention

Members of Xi Epsilon Chi and Nu Zeta Chapters of Beta Sigma Phi attended the area spring convention in Litchfield this week.  
Mrs. Paul Ashford, Mrs. Leland Brackett, Mrs. William Laule, Miss Ruth Soyano, Mrs. Ralph Haldeman, Mrs. Harvey Ebling, Mrs. Lewis Rains and Mrs. Delores Dorch represented Xi Epsilon and from Nu Zeta were Mrs. Jackie Bone, Mrs. Barbara Jean Johnston, Mrs. Shirley Parmley, Mrs. Fran Cuvier and Miss Marilyn Lumpkins.  
The local contingents joined sorority sisters representing communities in central and southern Illinois for a buffet luncheon at the high school.  
The address of welcome was given by Litchfield Mayor Lewis Yaeger, whose wife is a longtime member of the sorority.  
Walter W. Ross III of Kansas City, president of Beta Sigma Phi, participated in the afternoon and early evening program and presented a check for \$10,000 from the International Endowment Fund to the Hope School for the Blind in Springfield. This unique educational institution was originally sponsored as a statewide project by Illinois chapters, and later by the international groups.  
Forums on areas of interest to club officers and committee chairmen were conducted by the three chapters in the host city.  
Awards were made and prizes were distributed. The grand banquet was held in the evening at "The Gardens" and the day's activities closed with the traditional candlelight ritual.  
Tandalia, Ill., was the place selected for next year's convention.

**ENGAGED.** Miss Cheryl Morger, whose betrothal to Sp4 Phillip D. Cothrell, a son of Mr. and Mrs. Frank E. Cothrell of Dulton, Ill., is being announced by her parents, Mr. and Mrs. Carlton Morger Jr., 2905 Washington avenue. The wedding will take place July 27.

## David DuBay Promoted At Jacksonville Base

David L. DuBay, U.S. Navy, son of Mr. and Mrs. William DuBay, 1387 Edwardsville road, and husband of the former Miss Christine Daugherty of Granite City, recently was promoted to Electrician's Mate Second Class at Jacksonville Naval Station, Jacksonville, Fla.

Stationed at the Jacksonville base, the local serviceman is part of a crew which shuttles between the Florida base and Howard Air Force Base in the Canal Zone, Panama. His squadron (VAP-42) Det. 31, is expected to be shortly reassigned to Guam.

DuBay, a 1965 graduate of Granite City high school, attended Southern Illinois University-Southern campus prior to enlisting in the Navy in August 1966. He and his wife reside at 1718 Pine Grove, Jacksonville.

## Nameoki Seeks to Shut Down EPA Junk Yard

Court action against a junk yard in Eagle Park Acres that has failed to obtain a license under the Nameoki township junkyard ordinance was proposed at the regular Nameoki town board meeting Tuesday night by Harry Briggs, township supervisor.

Briggs said that while the operator obtained a special use permit for operation of the junk yard in that area, numerous complaints have been received by town officials and no effort has been made by the operator to obtain the required license. The action will seek to shut down the operation, Briggs said. The town board approved routine bills and adjourned until May 7.

GRANITE CITY AIR OFFICER Capt. Harry W. Walker, piloting a "Jolly Green Giant" helicopter in Southeast Asia.

## 2 Rescues in Enemy Areas By GC Pilot, Capt. Walker

Capt. Harry W. Walker, son of Mrs. Geraldine F. Walker, 1737 Spring avenue, is a member of the U. S. Air Force aircrews who are helping write the human drama of the Vietnam war.

The helicopter pilot flies HH-3 "Jolly Green Giants" on search and rescue missions in Southeast Asia as a member of the global Aerospace Rescue and Recovery Service (ARRS). Capt. Walker's detachment at Nakhon Phanom Royal Thai Air Force Base, Thailand, recently logged the 1000th combat save—one in which the rescued serviceman had been subjected to enemy action or recovered from enemy territory—since the ARRS began Southeast Asia operation in December 1964.

The local captain has personally added two recoveries to the enviable record.

Silver Star, Air Medal. Capt. Walker, who flies the HH-3 as rescue crew commander, has received the Silver Star for gallantry in combat and the Air Medal for distinguished airmanship.

The captain helps form a highly-skilled Air Force team dedicated to the motto, "That Others May Live."

It operates over North and South Vietnam, frequently under the most hazardous and dramatic of combat conditions, to evacuate U. S. and allied aircrews and ground forces to safety.

Former Aviation Cadet. Capt. Walker received his commission in 1958 through the aviation cadet program.

A 1953 graduate of Granite City high school, he has studied at Parks College of Aeronautical Technology, East St. Louis. His wife, Karen, is the daughter of Mr. and Mrs. John Andersen, 2217 Woodlawn avenue.

## NFO Chairmen Report On Recent Activities

A regular meeting of the National Farmers Organization was held Monday evening at the County building in Hanel.

Reports on activities were given by Hilbert Klenke, Clinton Heinrich and Delbert Klenke, chairmen of the meat, dairy and grain boards and there was an election of the dairy bargaining board for one year. James Horne, area representative, reported on the recent distribution of pork to the poor in St. Louis and the increase in meat imports during 1968.

A report was read on a recent statement by the Granite City Steel Co. and the Monsanto Chemical Co. on their concern and need of product import quotas.

After the meeting refreshments were served by the members' wives.

## Shopping Center Mishap

Autos driven by Norman W. Holsinger, Collinsville, and Edward L. Taylor, 1337 St. Clair avenue, collided on the Nameoki Village shopping center lot at 5:40 p.m. Tuesday.

## Driving Charge Filed

Clara S. Seger, 4100 Highway 111, was charged with careless driving at 18th and State streets at 8:59 p.m. Wednesday.

## Traffic Signal Charge

Donald R. Raines, 2210 Dewey avenue, was charged with a traffic signal violation at 9 p.m. Tuesday at Niedringhaus and Madison avenues.

Surviving are his wife, Mrs. Hazel Atchison; one son, William Rogers Atchison of Pearisburg, Va.; three daughters, Mrs. Georgia LaVelle Dorway of Ferguson, Mo., Mrs. Natalie Murrie of Alton and Mrs. Faye Krause of Granite City; one sister, Mrs. Leona White of Granite City; and 12 grandchildren. Funeral arrangements are given in today's obituary column.

## Rotarians Relate Purposes, Growth of Club

"What Rotary Means to Me" was the theme of a panel presentation at the Granite City Rotary Club meeting Tuesday afternoon at the YMCA. Homer Huber, program chairman, introduced Rotary members Frank Welch, Raymond Ruffer and Past District 666 Governor George T. Wilkins, who spoke, telling incidents that highlighted their long record as Rotary members.

All three have 20 or more years of perfect meeting attendance, Huber said.

"Rotary," he said, "is a vital service organization in any community. Its four-fold purpose for members is the development of acquaintances and good fellowship, the promotion of high ethical standards in daily life and business of its members, providing members a chance to apply the ideals of service above self and furthering international understanding among members."

The Granite City Rotary Club was organized in 1924 by the St. Louis Rotary and three charter members are still living in the area, Carl Grallich, Roy Barney and Arthur Roman. In 1925 the local Rotary club organized the Madison Rotary.

Starting with 46 members, the Granite City club reached an all-time high of 104 members in 1945. Membership today includes 64 local business and professional men. Dr. Philip Dale and Rev. Dr. A. Ralph Lynn both served as district governors.

Ruffer, a past president and secretary for more than ten years, said that the real service of Rotary to Granite City was with the Home Show in 1951. This was followed by the Horse Show and the chili day. These projects, he said, provided well over \$54,000 toward civic improvements. Among items provided by the local club were—a kitchen for the

YMCA, air conditioner, new ceiling and curtains for the "Y," the chapel at Camp Sunnen and a truck for the Boy Scout Council, the access road at Girl Scout Camp Lakota, an organ for the high school, equipment for the Mental Health office, uniforms for the Salvation Army youth, a rescue car for the fire department, police dogs and training for the police department and the EEG machine for St. Elizabeth hospital.

In addition many scholarships have been given to young people through the Student Loan fund first started by the Rotary Club and later to the speech department at the high school and the Granite City Scholarship Foundation.

Tuition was provided for a Korean student to attend Illinois College at Jacksonville. Thousands of dollars have been given in clothing and hot lunches for needy students, and the latest project will help send boys from low income areas to Camp Sunnen this summer to learn skills and develop character and citizenship.

In 1963 the Granite City Rotary formed the third Interact Club for high school boys in District 646.

Dr. Wilkins stressed the importance of Rotary as a vital force for good in the community. "Today more than ever, he said, our community needs men dedicated to the ideals of service above self." Rotary needs men from every profession and every business in Granite City among its membership, he said.

Edw. Meng reported on the District Conference held last weekend at Quincy. While the conference was small in attendance it produced many good ideas of service, he said. Wilkins and John Newlin were presented with certificates of commendation from Gov. Kerner by Eugene Coe, executive of the Cakokia Mound Boy Scout Council, for

## 19th St. Sewer Break Being Repaired by City

A street department crew this week is repairing a sewer break at a 19th street manhole at the alley between Delmar and Edison avenues.

The break was at the intersection of 12 and 10-inch sewer lines.

## Autos Collide

Involved in an accident Wednesday evening at Waterman and Franklin avenues were autos driven by Freda Dehmer, 2200 Lynch avenue, and Nancy Spiker, 4521 Vine blvd.

## Amvets Post 51 Enrolls Four; Plans Election

Quad-City Amvets Post 51 enrolled four new members last evening in the Post Home, 5100 Lakeside drive. They are Adam Peras, Gale Lockhart, Leonard Redburn and William Brockman.

Commander Russell Robinson conducted the business session, during which plans were finalized to remodel the post kitchen facilities.

Several proposals intended to beautify the entire area will be discussed at 2 p.m. Sunday, when the Long Lake Improvement Association will meet at the Post Home. The veteran's organization is a member of the group.

Robinson announced that nominations for 1968-69 officers will be accepted at the May 8 meeting.

### Amsted Industries Board Set 40-Cent Dividend

The Amsted Industries' board of directors Tuesday declared a dividend of 40 cents per share, payable June 14, to stockholders of record on May 20. This is the same rate that has been paid for the last four quarters.

Amsted has paid dividends on its common stock in each quarter for the past 28 years. The corporation operates the American Steel Foundries Plant here.

ing, with an election set May 22. He also reported that member Glen Greer is a patient at St. Mary's Hospital, Clayton, Mo.

RECEIVING AMERICAN FLAGS from Mrs. Gussie Cheatham, representing Sara Jane McEvers Tent 90, DUV, are (left to right) Brownies Ellen MacClatchey, Troop 176, Debbie Schwendeman, Troop 159, and Darlene Johnnesse, Troop 307, all of Nameoki school.

### GC Police Plan Drive On City Auto Tags

GC police are planning an extensive drive to enforce city auto license regulations following the May 1 deadline for obtaining the city stickers, according to Chief Ronald Veizer.

As of today, only 1000 motorists have obtained the licenses from the office of City Clerk Homer "Cal" Pendleton, and Veizer noted that the deadline is next Wednesday.

Last year between 13,500 and 14,000 licenses were issued. License fees are \$3 for automobiles and varying amounts for other vehicles.

The troops held individual business meetings before forming a horseshoe and giving the pledge and singing.

Others taking part in the flag ceremony were... from Troop 159, Dawn Feurka, Antoinette Simard, Gail Siple, Pam Cunningham, Marcia Cress, Joanne Edwards, Denise Lybarger, Kathy Colquitt, Denise Starling, Linda Vaughn, Pam Tester and Donna Detmer; Troop 176, Paula Bald, Jackie Billeo, Diana Bunch, Cynthia Freeman, Susan Lewis, Karen Ozbin, Cindy Palmer, Theresa Parker, Debbie Schaefer, Stephanie Warden, Christine Wiseman and Yvonne Zotti; and Troop 307, Pamela Monroe, Lynetta Thomas, Connie Acosta, Cindy Skinner, Darlene Johnnesse, Penny Miller, Jane Dillard, June Krause and Theresa Nott.

Attending from Tent 90 were the president, Mrs. Augusta Munsterman, and Mrs. Pearl Ward and a guest, Mrs. Ward's niece, Kim Turner.

Following the flag ceremony, the troops made plans to attend "Brownie revel" Saturday at Camp Lakota.

Mrs. Morris was surprised when an inscribed birthday cake was brought to the table by Mrs. McGee and presented to her. It was cut and served to the members. Gifts were opened by Mrs. Morris.

Games filled the remainder of the evening, with Mrs. Ritz, Mrs. Purcell and Mrs. Ruth Evans excellently. The latter invited the club members to her home for the May meeting.

Mrs. KULA HONORED Mrs. Veronica Kula was honored on her birthday Tuesday as members of the Birthday Club arrived at her home, 1620 Seventh street, with gifts for the honoree.

The day day spent in games by Mrs. Nettie Gnojewski, Mrs. Helen Hinterser, Mrs. Josephine Oreschovich, Mrs. Caroline Racoff and Mrs. Ann Podnar.

### SCOUTS PLAN TEA

Cadetette Girl Scout Troop 1174, sponsored by Webster PTA, met Monday evening with the leader, Mrs. Pat Eaton, 2409 East 25th street, who was assisted by her co-leaders, Mesdames Pat Emring and Pam Johnson.

The troop worked on invitations for a mother-daughter tea at the Kirkpatrick recreation hall May 25 from 6 p.m. to 8:30 p.m. The leaders, with Mrs. Jerry Clark, discussed plans and a menu. The girls will participate in food preparation and serving.

The members will attend day camp as a troop June 24-28 at Camp Lakota. A hayride ending with a weiner roast is to be held at Arlington Heights in June.

Work continued on a Mother's Day project and the hostess and family living badges. Answering roll call were Ruth Bird, Kitty Chapline, Pam Clark, Denise Emring, Becky Graham, Karen Lee, Debbie McKinney and Frances Welby.

PLAN JUNIOR ACTIVITIES Junior Girl Scout Troop 704, sponsored by the Webster PTA, met at the school Monday with the leader, Mrs. Mae Lee, assisted by Mrs. Elizabeth Griffin. The meeting opened with a flag ceremony by the Snoopy troop and the girls repeated the scout promise and laws and sang the national anthem.

Mrs. Lee announced that Junior day's postponed because of the weather, will be held May 4 at Camp Lakota. Junior day, a neighborhood event, will be held May 18. The troops will meet at the canal bridge and hike to the Lewis and Clark Park, where they will hold a cookout.

Sharon Emring taught the girls a song and Karen Lee of Troop 1174 instructed them in a game. Requirements were completed for the songster badge, and work continued on the health aid badge.

Pamela Throne of Senior Troop 1177 will be a guest at the next meeting to teach knot tying.

The troop was invited to attend the Brownie meeting of Troop 188, led by Mrs. Shirley Tervan, Wednesday afternoon and teach several songs and games.

The meeting closed with a disappearing tunnel. Present were Debbie Bird, Brenda Boling, Mary Kay Chapline, Denise Dickerson, Pam and Sharon Emring, Carol Lee, Vickie Pulley, Patty York, Teresa and a guest, Cindy Myatt.

BIRTHDAY CLUB MEETS The Gay Gabbers Birthday club met at the home of Mrs. Victor Davis, 2839 Dogwood avenue, Tuesday for a monthly meeting.

The members celebrated the birthday of Mrs. Jess Warren. She received many gifts. The afternoon was spent playing games and prizes were awarded to Mesdames Calvin Lenzby jr. and Mrs. Eugene Grace.

A covered dish luncheon was served from a table decorated in a springtime theme to those present and Mesdames Gail Farless and Donald Riverburgh. The next meeting will be May 25 at the home of Mrs. Lenzby, 2837 Wayne avenue.

## SIU Board Picks Names for New Bldgs., Facilities

Six former Southern Illinois and three historic Illinois University faculty members are being honored by the SIU board in naming new buildings and facilities at the Carbondale campus.

Two new 17-story residence halls scheduled for occupancy this summer were named in memory of William B. Schneider and Mae Trevillion Smith, both late members of the English department faculty.

Schneider Tower and Mae Smith Tower are included in the previously-named Brush Towers complex, which also includes a commons building which the board named Grinnell Hall in honor of John Grinnell, retired SIU vice-president.

The inner-campus loop road was named Lincoln drive, after Abraham Lincoln, and its outer counterpart circling Campus Lake was named after Stephen A. Douglas, Illinois senator who opposed Lincoln in the 1860 presidential election.

Another road going into the Southern Hills family residence area from the campus was designated as Logan drive, after Civil War Gen. John Logan of southern Illinois.

The new Humanities and Social Sciences Building, still on the planning boards, will be known as Faner Hall, in memory of Robert Faner, late English department chairman.

The office-classroom wing of the Arena was named Lingle Hall—after late SIU track coach Leland (Doc) Lingle—and Studio Theater in Pulliam Hall (University School) was named Cline Theater, in memory of Willis Cline, late principal of the training school at SIU.

**Morris Library Contract**  
The board awarded a \$1,624,202 contract for completion of the upper four floors of Morris Library at the Carbondale campus.

The award went to the R and R Construction Co. of Alton. Work will include interior finishing of the seven-story building's tower section, which was erected as a shell in 1964.

In another construction item, the board awarded contracts totaling \$29,957 to the John J. Calman Co. of Chicago and Cunningham Electric Co. of Anna for installation of piping, painting and electrical work in a steam tunnel extension between Wham Educational Building and the General Classroom Building.

The board amended its operating lease with the Southern Illinois Airport Authority to include operational coverage of a new airport terminal building and hangar now under construction. SIU runs the airport for the Authority under a 25-year lease.

**Technical Institute Planned**  
The trustees approved a master plan to provide facilities for at least a 2500-student enrollment at SIU's Vocational-Technical Institute.

The plan for the VTI campus near Carterville, which now has a student enrollment of 1500, calls for work to be done in stages so that operations can continue without interruption, with a gradual phasing out of temporary buildings during a time of probably ten years. Representatives of Gunar Birkett & Associates of Birmingham, Mich., made the presentation.

The report revealed construction would start on a Classroom and Office complex east of the present boiler plant and west of the residence hall. Electronics and graphics technologies would be housed first. Later, there would be construction completed for allied health and engineering technologies.

University Architect Charles Pulley said he hopes the first phase can be put up for bids in October of this year. Money has been authorized through the Illinois Building Authority.

Pulley also expressed hope that work can begin on a VTI student center wing in the near future. He added that the university possibly will be asked (or funds in the next biennium) to replace the present heating plant and for learning resources library and health education additions to campus structures.

### Three Boys Pay Fines For Curfew Violation

Three of five St. Louis boys, all 16 years old, were fined Monday afternoon on pleas of guilty to curfew violations. One of the three was fined \$25 and \$10 costs on a charge of driving a car after curfew while under 18 years of age in addition to \$10 and \$5 costs on the curfew violation charge.

The other two who entered guilty pleas were fined \$10 and \$5 costs each for curfew violation. The remaining two boys asked for hearings and were required to post \$25 cash bonds pending a magistrate hearing May 8.

The five youths were arrested by Venice police early Monday morning after the car in which they were riding was involved in a hit and run accident in Madison. All were booked under the juvenile code and arraigned in magistrate court Monday afternoon. Venice police said the fines were paid in full at three cases.

### Candidate Says Gun Law is a Penalty

Robert Ford, assistant supervisor of Wood River township and a Democratic candidate for nomination as state representative in the June 11 primary, said today he will seek repeal of the Illinois gun registration law if he is elected in the approaching balloting.

Ford said the gun law passed in the 1967 session of the General Assembly "is a penalty against the honest, law-abiding citizen and is an unjust and unnecessary law."

The notorious John Dillinger never registered his guns and I doubt whether Bonnie and Clyde had a permit for their arsenal."

He said the \$5 fee for each permit is "another means of squeezing more money out of the already overburdened taxpayers."

Ford also calls for exempting senior citizens on limited income from paying personal property taxes by excluding the first \$500 of real estate assessment from taxation.

### Plan Seminars on Bank Credit Card System

Two seminars at which a representative of the Bankmark Credit Card system will explain detailed operations of the program will be held Wednesday for retailers and professional people of the Quad-City area.

The seminars will be held at 7:30 a.m. at the Rose Bowl restaurant and at 2 p.m. in the YMCA, according to Arnold Fleishman, vice-president of the Associated Retailers and Civic Association.

Fleishman said invitations have been mailed to retailers and professional persons, but any merchant who may not have received an invitation and who is interested in the program may contact the American National Bank, First Grant City National Bank or the Granite City Trust & Savings Bank.

### J. E. Conover, 72, Dies; Ex-Madison Resident

Jasper Elmer Conover, 72, former resident of Madison for 40 years, died in the Missouri-Pacific Hospital, St. Louis, at 5:35 p.m. Monday after an illness of one week. He had been living in Troy for the last seven years.

Conover was a retired car inspector of the GM&O railroad where he worked 12 years prior to his retirement in 1961. He was a member of Venice-Madison American Legion Post 307 and of the World War I Veterans of Troy.

He is survived by his wife, Mrs. Ora Irene Conover; two sons, Willie Kitchen of Madison and Frank Kitchen of Troy; two grandchildren and one great-grandchild.

### Kiwanis Told of Library's Growth

Vasil Efimoff, counselor at Prather junior high school and member of the public library board, presented the program for the weekly dinner meeting of the Kiwanis Club Monday at the Den.

As this week will be observed as National Library week, he gave the history of the local library saying the original library opened in 1912 with a circulation of 300,000 to 400,000 in a year. The new bookmobile carries 6000 volumes.

Efimoff said that as the library has grown, a record department has been added to provide musical records both modern and classical and a art department where the borrower may select works of art.

## Cost Cutting Planned for GC Storm Water Drainage Job

Close figuring is planned tomorrow for the storm water drainage project for Granite City to get construction costs within the available funds, it was announced during Monday night's city council meeting by Alderman Bartosiak, chairman of the Special Sewer Committee.

The low bid of \$3,098,900 was submitted by S. M. Wilson Co., a local firm, and the city has available about \$2,550,000 from its federal grant and \$1,855,000 bond issue. While the bid was under the engineer's cost estimate, figures for other items were not included, Bartosiak explained.

The other items were estimated at \$153,000 for engineering, \$22,000 for legal fees, \$30,000 for inspection, \$16,000 for repayment of a planning loan from the Housing and Urban Development Agency, a loan of \$155,000 for contingencies and about \$200 for miscellaneous costs.

Bartosiak said he figured the costs were about \$223,000 over the amount of available funds, but that Granite City Steel Co. may pay the cost of \$32,000 to siphon around its water lines at 24th street and Washington avenue, to reduce the amount to \$191,000.

opened last week, it was noted that by substitution of corrugated aluminum pipe for concrete pipe, the city could save up to \$200,000. Approval by HUD for a major change in plans would be required. The city also has leeway to issue \$55,000 in general obligation bonds.

Bartosiak said the committee and Mayor Partney are to meet tomorrow afternoon with the engineer, H. W. Lochner Co., and representatives of the contractor to determine what steps can be taken to reduce costs.

Earlier in Monday night's meeting, the council approved over Bartosiak's protests a transfer of \$10,000 from the sanitary sewer revenue bond issue fund to repay the sales tax fund. The amount had been paid from sales tax to Shepard, Morgan & Schwab for engineering the sanitary sewer project that includes North Granite and other areas.

Bartosiak said added funds may be needed for that project since additional lines and new designs were required after the bond issue figure was set. Aldermen favoring the transfer said the total cost of the work could be determined more closely if sales tax funds were not used and that the sales tax reserve will be needed for general operating costs of the city.

Nonn commented that a sanitary line was not ordered for the 2600 block of West 22nd street where there are no sewers.

The transfer was approved by a 9-to-7 vote.

## Forms Available for Gun Registration

Forms for compliance with the new Illinois gun registration law that becomes effective this summer are available at Madison police headquarters in Madison, police officials said today.

The forms list nine questions that must be answered by adults, with an additional two questions to be answered if the applicant is under 21 years of age. The form must be signed by the parent or guardian of any applicant who is under 21. A head and shoulders photograph that will fit a space 1 1/2 by 1 1/4 inches must be submitted with the \$5 registration fee. The form must be notarized.

The form, money and photograph must be addressed to Firearms Owners Identification Division, 1035 Outer Park drive, Springfield, Ill., 62704.

## Benefit Tea Sunday At Lincoln School

The Quinn Mission AME Church, Eagle Park Acres will sponsor the fifth annual tea of the East St. Louis & Alton Area Missionary on Sunday at Lincoln school, Venice.

## Bids Under Study For New Pumper For GC Fire Dept.

Three bids for a new fire department pumper-fire truck were reviewed Monday night by Granite City council members who referred the proposals to the Fire and Water Committee for study and recommendation.

Alderman Boyd commented that he had received a letter from a representative of the American-LaFrance Co. complaining of the specifications and the difficulty his firm would have had in meeting them. The firm did not submit a bid.

An explanation was given by Alderman Fry, chairman of the committee, who said the firm was invited to bid and was told the options and alternatives were permissible. "I don't think he (the salesman) wanted to bid, and the only way we can buy a truck is through competitive bidding."

### \$38,248 Low Figure

Apparent low bidder was the Peiss Pirah & Sons Co. of Kenosha, Wis., with a figure of \$38,248, and 360 working days to do the job. Other bids were \$39,495 by Seagraves Co. with 180 working days and Mack Truck Co., \$40,057, with 175 working days. Fry estimated it would take the low

## 51 Arrested in Venice Result in \$415 Fines

A total of 51 arrests was made by the Venice police department during March, resulting in collection of fines amounting to \$415, Venice Chief of Police John Eastington reported.

The arrests included 23 defendants named for city ordinance violations and 12 ticketed for traffic violations. Eight of the prisoners were held in investigation but later released without charges. One of those arrested was turned over to the sheriff's office, three others were released after charges were withdrawn.

bitter 1 1/2 years to build the truck and about eight months for the other two.

Several council members remarked there would be no rush as the city at present has no funds to purchase the truck. Fry said his committee would review the proposals and submit a recommendation. The truck is to replace a 1947 pumper. Alderman Johnson, a former fireman and former chairman of the Fire and Water committee, said that specifications normally are based on a certain product and then modified to meet local needs.

**Farmers May Hire Youths Under 16 in Some Jobs**  
Farmers have been reminded by the U. S. Labor Department officials that they may employ youngsters under 16 for farm work outside school hours, except in jobs found hazardous under the Fair Labor Standards Act.  
The federal law is geared to

permit farm children to work without interference with their schooling, or health and well-being, according to Gerald J. Mitchell, regional director of the department's wage and hour and public contracts division. It does this by setting a 16-year minimum age for farm employment during school hours and in hazardous agricultural occupations at any time.

## Open House Sunday at Alton State Hosp.

Open house programs at Alton State Hospital will follow the slogan "Mental Health, Yesterday, Today and Tomorrow," on Sunday from 1 to 4 p.m.  
Each unit and special program will preview aspects of the therapeutic treatment program and tie in the celebration of Illinois' Sesquicentennial and the Alton State Hospital's Golden Anniversary, which is July 1917-1968.  
Open house is being observed

at all State mental health facilities Sunday, and is the "kick-off event for National Mental Health Week, which is being observed from April 28 through May 7.

Entertainment will be presented on the grounds in front of the recreation hall for the public. Plans include Drill Team; a square dance group; Cornelious O'Sullivan's Irish Dancers of East St. Louis; Oblate Seminary Guitar Players; Donna Randie and Nancy Davis, volunteers, playing guitars and singing folk songs; and the Fred Wilson Combo from SIU. Many of the entertainment also will perform for patients who are unable to join the outdoor festivities. The Syndicate Soul Band,

directed by Albert Kirback, will be featured in the lobby of the Medical Surgical building, as well as other special entertainers at the various units.

Several civic organizations will have displays in the Recreation Hall, such as: Illinois Lewis-Clark Trail Commission to inform the public of the future plans for development of the Lewis and Clark Memorial Park, south of Hartford, on Route 3. Other displays are also of immediate interest to all.

Employees, costumed as Lincoln and Douglas, will debate at the Power House.

## Roger MacZura Departs For Southeast Asia

Roger W. MacZura, 20, U. S. Navy Air Corps, departed Monday for the Philippine Islands as a member of the flight crew of a P-3A Orion Navy Patrol plane. His squadron has been assigned to patrol coastal waters in Southeast Asia as a part of a continual search operation for hostile naval craft.

The local serviceman reported to Moffett Field, Calif., last week, after spending a week's leave at home with his parents, Mr. and Mrs. Warren MacZura, 3208 Aubrey avenue. Upon his return to the base, he received a promotion to Jet Engine Mechanic Third Class. On March 22, the Navy airman was named "Man of the

Month" of the Patron 50 air group. His certificate of recognition cites him for "outstanding performance in leadership, military bearing and personal appearance."

Before enlisting in the service in August 1966, he was graduated from Granite City high school in 1965 and attended Southern Illinois University-Southwestern campus for one year.

Friends may write him at: Roger W. MacZura, ADJ 3rd Class, B3104, Patrol Squadron 50, Power Plant, FPO 96801, San Francisco, Calif.

## Council Oks Stops on Edison at 19th and 18th Sts.

The police requested ordinance placing stop signs on Edison avenue to control the downtown section opened last week to two-way traffic was approved Monday night by Granite City council members.

The stop signs are to be placed at 19th street and at 18th street to control Southbound traffic and fines for violations will range from \$5 to \$100.

Objections were raised—not for the stop signs—but as protests to the two-way traffic by four aldermen who voted against the ordinance. They were Moerlen, Poulos, Dawes and Johnson.

Mayor Partney was asked by the council to confer with top officials at American Steel Foundries and Union Starch & Refining Co. to exercise controls

over their switch crews at the 19th street crossing. A complaint was lodged by Alderman Nonn, who said it appeared the switch crews were "playing games" to see how long they could keep a crossing closed by going back and forth. "When one engine clears, then the other starts up," Nonn said, adding, "they could permit motorists to cross in between times."

### Street Sweeping Problem

Alderman Poulos called for enforcement of parking bans to permit proper street sweeping on a regular schedule. Street Supt. Warfield said the process was started several years ago but was abandoned because of a lack of cooperation of auto owners "who even parked beneath the no-parking signs."

Poulos urged enforcement of the law and another try. Warfield replied that most of the signs have since disappeared, and new ones would have to be purchased.

Permission was given for Charles Kennerly to install a driveway at Kennerly Cleaners, 2344 Edwards street, and four excavation permits were approved—three for Illinois Power Co. for gas line installations and one for Southwestern Bell Telephone Co. to bury a cable at the rear of the Luaders, Robertson & Kouzen law offices, 1039 Delmar avenue.

The gas lines are to be located in the alley north of Edwards street at Edna street, on West 22nd street and on Roosevelt street. A resolution was approved

calling for East St. Louis & Interurban Water Co. to install a fire hydrant on the northeast corner at Ames and Wabash avenues.

### Complaints of Hazard

Alderman Green called for correction of what he termed a hazardous condition at Reeves Concrete Co. in North Granite. He asked that the firm be given a 10-day notice to either fence property it has leased for storing concrete blocks or to lower the stacks of blocks. "Children could get hurt seriously if the blocks topple," he also said the firm should take steps to correct a dust nuisance on its roadways.

His motion called for the city attorney to send a 10-day notice to the firm. Council members decided to

call upon the Ministerial Association to make a recommendation on a request by the Southern Missionary Baptist Church, 921 Bissell street, to conduct a house-to-house solicitation. The request was made by Mary Pryor, 818 Franklin avenue, for the pastor, Rev. A. G. Williams.

Permission was given for the United Cerebral Palsy of Southern Illinois to conduct a three-day campaign May 10-12 to seek cerebral palsy and to distribute educational literature as well as conduct a house-to-house fund solicitation.

Permission was given for As-

sistant Police Chief George Teller to attend a tear gas and chemical demonstration May 14 and 15 at Park Forest, Ill., with an allowance of \$100 for expenses.

Authorization was voted for a call for bids to raze a falling, vacant dwelling at 2627 Iowa street, once clearance is obtained from the estate administrators.

Approval was given for Albert Misselhorn to erect an unattached garage at 2632 Grand avenue with a one-foot side property line. The request had been granted by the Zoning Appeals Board.

## "What is your standard for living?"

Some think the best standard to live by is what "works."

But what "works" today often doesn't "work" tomorrow. Material standards are changeable and fallible.

The only standard that doesn't change is the one that can make the most difference in your life. It is God's spiritual standard of excellence.

In this free public lecture, Norman B. Holmes, C.S.B., a member of The Christian Science Board of Lectureship, cites several specific examples of individuals who have found that adherence to God's standard as presented by Jesus has vastly uplifted their lives, brought better employment, improved human relationships and health itself.

Everyone is welcome.

DR. E. W. WALTON

CARL MACIOS

GEORGE E. MOORE SR.

## GC Board Elects Walton, Macios, Moore

Present officers of the Granite City school board were retained in a reorganization Monday night following canvases of returns of the April 13 board election.

Dr. Eugene W. Walton, president since Feb. 12, and Carl Macios, who replaced Dr. Walton as secretary on the same day, were elected to those positions for the April 1968-1969 year.

George E. Moore sr., school district treasurer for the July 1967-June 1968 fiscal year, was named to another one-year term ending June 30, 1969. He is a member of the board and receives no treasurer salary; only those treasurers who are not board members are eligible for pay.

The board increased from \$240 to \$360 the annual salary of the secretary. The \$240 level had been in effect for the past ten years.

It was decided to continue meeting at the board office, 2014 State street, at 7:30 p.m. on each second Monday and fourth Wednesday. This week's meeting was held two days early because the board must reorganize within ten days of the election.

### Makes Eating With FALSE TEETH Up to 35% Easier

Chlorine's help prove you can now eat and chew better—make dentures come up to 35% more effective if you sprinkle a little PASTERTHIN on your dentures. PASTERTHIN holds uppers and lowers more firmly so they feel more comfortable. PASTERTHIN is also acid-resistant, odor-free, and non-toxic. It's the "denture odor" destroyer that fits over your dentures. See your dentist regularly. Get PASTERTHIN at all drug counters.

Harold Davis Seated  
All three officers were chosen unanimously after Harold W. Davis was seated as a board member for a three-year term, succeeding Roy Timmons.

Moore and Donald W. Stucke began three-year terms and Arthur L. "Pete" Metcalf began the final year of an unexpired term.

Holdover board members are Monroe Worthen, whose term coincides with that of Metcalf; and Dr. Walton and Macios, whose present terms have two years remaining.

**Certificate to Worthen**  
Worthen, whose resignation as president became effective Feb. 12, was presented a certificate by Dr. Walton on behalf of the district. It recognized his nearly three years of service as board president, beginning in April 1965. He has been on the board since 1960.

Worthen, who is remaining on the board, said in brief remarks that the aid of other board members proved invaluable to him as president.

The canvass showed vote totals of 2022 for Metcalf, who was unopposed, 1699 for Stucke, 1534 for Moore, 1422 for Davis, 894 for Andrew C. Gitchoff, 774 for Morris W. Miles, 746 for Richard G. Roberts, 91 write-in votes for Mary Church and single write-ins for seven other persons.

The 3124 turnout included 113 spoiled ballots. Of the 3124, 56 were voted by absentees.

**Study Election Law Changes**  
At the suggestion of Worthen, a study will be made to determine the effect on election pro-

cedures of the voter registration requirement and of a new law permitting candidates to have poll watchers and challengers.

Of the 1968-69 school board officers, Dr. Walton is a chiropractic physician, Macios is a McDonnell-Douglas Co. engineer and Moore is quality director of the Granite City Army Depot.

Dr. Walton, 52, of 57 Janey lane has completed one three-year term and the first year of a second three-year term, having been re-elected to the board in April 1967. Married and the father of five children, he was born in Ridgeway, Ill., and has lived here 26 years.

He served four years in the Navy and formerly worked as staff manager of the Metropolitan Insurance Co. A member of the YMCA board and former member of the Toastmasters, he is a graduate of Ridgeway high school and Chillicothe College and received his degree as a chiropractor at Missouri College.

#### Lifelong Resident

Macios, 33, of 78 Cambridge drive was appointed to the board in 1966 and was elected to a three-year term in 1967. Born in Granite City and a 1967 resident, he has a wife and four children.

Formerly associated with the Sverdrup & Parcel engineering firm, he is a graduate of Granite City high school and the Missouri School of Mines and Metallurgy.

Moore, 46, of 1929 St. Clair avenue, is married and has four children. He is beginning his second three-year term on the board. A GCIS graduate, he attended Purdue University and Southern Illinois University.

Moore is active in the PTA and Optimists and has served on numerous study groups, committees and commissions in the field of education.

## Law Day, Liberty Bell Award Presentation Set May 1st

The Madison County Bar Association has arranged law ceremonies throughout Madison county in observance of "Law Day U.S.A.," held each year on May 1.

The importance of Law Day has been increasingly recognized since it was established by Presidential Proclamation eleven years ago. The purpose of the observance is to foster deeper respect for law and order and greater appreciation of our heritage of freedom under law. The American Bar Association is in charge of the national observance of Law Day U.S.A., it was explained by Leo Konzen, local lawyer and county Law Day chairman.

Activities in Madison county will include mock trials to be held at Edwardsville, Highland, Livingston and St. Paul (Highland) high schools.

Mock trials will be held in the courtroom of Chief Circuit Judge James O. Monroe at 3 a.m. Wednesday, when William Brandt, president of the county bar association, will present two chalk boards to Chief Judge Monroe. These will be used in the courtrooms for illustrative purposes during jury trials.

The "Liberty Bell Award"

will be presented to the 1968 winner in recognition of outstanding community service by a non-lawyer.

Mock trials at the high schools will be presided over by Chief Judge James O. Monroe, Circuit Judges Joseph J. Barr, Harold R. Clark and Magistrate Joseph Kelleher. The plaintiffs and defendants counsel will be James Gorman of Edwardsville, Thomas Gibbons of Edwardsville, James M. Byrne of Highland, Wendell Durr of Edwardsville and John DiLaurenti and Donald Rikli, both of Highland.

The trials are presented to help students and residents of the county to better understand the legal process.

Roy W. Strawn, president of the Tri-City Bar Association, with the chairman of the planning committee, William Kinder, announced a luncheon to be held jointly with the Granite City Army Depot on May 1 at the Officers Club from noon to 1:30 p.m.

The featured speaker will be Associate Dean Richard J. Childress of St. Louis University Law School. His topic will be "Only a Lawful Society Can Build a Better Society," which is the theme of this year's law day.

## Labor Unions Endorse Candidates in Primary

AFI-CIO unions in Madison and St. Clair counties today announced their endorsements for the June primary election.

Buddy Davis of the Steelworkers' district office here and 24th district C.O.P.E. president said each candidate received at least a two-thirds majority of votes of delegates at a meeting Saturday at Alton. He urged all union members to work diligently to support labor-endorsed candidates.

Candidates endorsed in Madison county are:

Melvin Price, congressman for the 24th district; George Shipley, congressman for the 23rd district; Leland Kennedy, for state representatives from the 55th district; Sam Vadalabene and Kenneth R. Boyle, for state representatives from the 53rd district; and Willard Portell for circuit clerk, James Chapman for recorder of deeds, John Kraynak for auditor, Leon Scroggins for state's attorney and Leonard Davis for coroner.

The steelworkers' official also announced that the labor movement in the state is vigorously opposing the constitutional convention proposition to be voted upon in November.

#### Dies in Wood River

Herman Gehlert, 63, of East Alton, who died Monday night at Wood River Township Hospital following a heart attack, is the brother of Mrs. Lillie Love of Granite City. Services were held this morning at the Church of Christ in Belle, Mo.

## Pinewood Derby for Cub Pack Four

Cub Scout Pack 4 held the annual Pinewood Derby Tuesday evening with the following scouts named winners:

Steve Dodd, fastest car in Den 2; Danny Stufen, fastest car in Den 3; David Moutria, fastest car in Den 4; David Moutria, fastest car in Pack 4; Edward Brundage, best looking car in Pack 4. Winner of the adult race was John Moutria. Judges were Parker Hurst, Frieda Hurst and James King. Parker Hurst spoke to the group explaining the purpose and progress of the West Granite Youth Development of which he is the president.

The Wolf Badge was presented to Steve Burnett.

James Reynolds, cubmaster, announced the annual Cub Scout picnic at Cahokia Mounds State Park on June 23 and a rummage sale May 9, 10, and 11 at 2233 Bryan avenue.

The next committee meeting will be held at 2212 Missouri avenue on May 21 at 7 p.m. and the next Pack meeting is planned for May 28 at 7 p.m. to be held at Logan school.

Refreshments were served by members of Den 4.

## Blaylock to Present Art Demonstration

Charles Blaylock of Granite City, a commercial artist for a St. Louis firm, will present a lecture at 8 p.m. today for the Town and Country Artist Guild at the Union Savings & Loan, 101 East Main street, Collinsville.

Blaylock will demonstrate the use of acrylics, a water color paint that can be used similar to oils. He has had exhibits in Belleville, St. Louis and South Roxana.

Anyone may attend the guild's monthly meetings. Membership is limited to persons 16 and older.

#### Correction

In the death notice for Mrs. Bertha Elizabeth Ballentine, 74, of Madison, who died Friday, the date of her husband's death was in error. John Ballentine preceded his wife in death on May 31, 1936, instead of 1937.

## Pfc Cuvar with 82nd Airborne in Vietnam

Pfc Leonard Cuvar, 18, a U. S. Army paratrooper stationed in Vietnam with the 82nd Airborne Division, is now operating as a communications specialist with B Company of the 508th Infantry (ABN), in the vicinity of Hue, the ancient capital of South Vietnam.

In a recent letter to his parents, Mr. and Mrs. Andy Cuvar, 3815 Pontoon road, the young soldier commented "he was doing fine, but would like to hear from friends at home."

He has been serving in Vietnam since Feb. 18, after undergoing basic training at Fort Leonard Wood, Mo., and advance training and jump instruction at Fort Benning, Ga.

Pfc Cuvar attended Granite City high school prior to enlisting in the Army on June 15, 1967.

His brother, Specialist Fourth Class James Cuvar, 21, who is stationed at Fort Leonard Wood with a heavy equipment unit, returned home from Vietnam on Dec. 25, after serving there 12 months.

The older son advised his parents last week that he expects to receive his service discharge on May 3. Before entering the Army, he was employed at Union Starch and Refining Co.

Friends may write the younger Cuvar at: Pfc Leonard Cuvar, RA 16994037, Co B, 1/508 INF. (ABN), 3rd BDE., 82nd ABN DIV., San Francisco, Calif., APO 96228, WPNS PLT.

## Federal-State Meat Inspection Approved

The U. S. Department of Agriculture is announcing that it has completed a cooperative agreement with Illinois to establish a federal-state meat inspection program in the state under provisions of the Wholesome Meat Act of 1967.

The Act gives each of the states up to two years—or three if significant progress is being made—to establish a meat inspection program at least equal to that of the federal government.

Under the agreement, the U. S. Department of Agriculture Consumer and Marketing Service, which administers the Federal meat inspection program, will provide up to 50% of the cost of Illinois meat inspection. CMS officials will also provide technical and laboratory assistance to the state in planning and developing its program and will help train state inspection personnel.

Illinois will operate an inspection program for red meats that are sold or shipped within the state. CMS will continue to inspect meat processed in plants which sell products across state lines or in foreign commerce.

The Wholesome Meat Act provides for a single minimum standard of wholesomeness, whether meat is state or federally inspected.

Before signing the agreement, state and federal personnel surveyed meat plants and present inspection procedures in Illinois to determine how the present inspection program could be improved, how Illinois planned to do this, and how much it might cost.

California and New York previously signed similar Wholesome Meat Act agreements.

## More Rabies Clinics Scheduled in Area

Additional anti-rabies inoculation clinics will be conducted in Nameoki and Chouteau townships and in Madison during the next two weeks.

Nameoki township clinics, scheduled from 12:30 to 2 p.m., are scheduled at the State Park Place fire department on May 4 and at the Long Lake fire department in Pontoon Beach and Jones Lumber yard, 1633 Minerva street, on May 11.

The last in a series of Madison-Venice area clinics will be held May 4 at the street department garage in Madison from 2:30 to 4 p.m.

The clinics will be conducted by Drs. Leland Holt and Larry O. Tadlock, Granite City veterinarians, for a fee of \$3 for each pet.

Chouteau township inoculations will be conducted next Tuesday from 5 to 8 p.m. at the Greenway Village shopping center on East Chain of Rocks road next to the Mitchell post office, the same location as used last year. Dr. Joseph Helms, veterinarian, will administer the shots. The fee will be \$3 for each pet.

## Daughter Born to Former Residents

Marine Cpl. and Mrs. David Schofield of Santa Ana, Calif., are announcing the birth of a daughter April 18. The new arrival weighed eight pounds, one ounce and has been named Amy Leann.

Mrs. Schofield is the former Betty Wyatt, a daughter of Mrs. Barbara Markham Wyatt, 2137a Edison avenue. The paternal grandmother is Mrs. Frances Schofield, 1670 Second street, Madison.

## Tojo Showed That Good Traits In Excess Amounts Can Become Vices

"Tojo: The Last Banzai" by Courtney Browne, Holt, Rinehart & Winston, 260 pages. (Reviewed by H. B. Jacobini, a faculty member of the Department of Government, Southern Illinois University. Review published in the Daily Egyptian, 510 Department of Journalism, Carbondale.)

It seems to the reviewer that there are three interesting aspects of this well done volume by Courtney Browne. In the first place, it is simply a readable survey of parts of the life of a recent world figure. Secondly, it is an interesting account of a man who has developed what most of us would consider a bundle of virtuous traits, but developed in such a way and to such a point that the virtues are vices. Thirdly, and perhaps most importantly, it treats briefly the Tokyo trials.

Of the first of these aspects, it need only be said that Tojo's life and activities are treated with detachment and taste. Clearly, the often incoherent antics of photographers and reporters are not to his liking. While virtues are recognized and family sensibilities are meticulously respected, Tojo's shortcomings are not spared. Indeed, interested detachment seems to pervade.

On quite another level,

however, Tojo comes through to the reader as a man whose whole life is built around almost puritan virtues—hard and constant work, honor, patriotism, love of wife and family, dedication to duty, honesty, kindness to subordinates—all the virtues we have been schooled to respect.

Yet, as author Browne develops these traits, they seem to be in some cases the very platforms upon which the man's excesses and international criminality rested.

Accordingly, it is an interesting exercise in the relativity of value-charged character traits. Thirdly, while the book treats but slightly with the Tokyo trial, there is some focus upon it. Unfortunately, that half of the post-World War II international litigation is largely unknown. Browne's comments about it include useful insights.

Contained here are brief statements of the verdict in regard to Tojo, and brief observations on the chief prosecutor and upon his relations with the tribunal itself. On the whole, it is a readable, interesting and well done work and is well worth the time it takes to read it.

## 50 YEARS AGO

APRIL 25, 1918

Over 600 teachers from all parts of Madison county will gather at Edwardsville to attend the quarterly meeting of the Madison County Teachers' Association. County Superintendent Hugh T. McCrea is making arrangements for the meeting, and speakers will include Miss Bertha W. Ferguson, "Courage and Determination"; Mrs. Harriet R. Howe, "Food Conservation"; Prof. George D. Wham; Sup't. H. S. Stice of Madison; "Present Day Tests and Standards"; and Prof. Edwin B. Evans, Des Moines, Ia.

John J. Brenholt was chosen as chairman of the Madison County Board of Supervisors by a vote of 24-6 over Charles Lexow of Mitchell. Those beginning new bond terms include Lexow of Chouteau township and Pearl Smith of Venice township.

Rates on certain communication books of the Alton, Granite City & St. Louis Traction Co. for passenger fares will be increased under an Illinois Public Utilities Commission ruling. Price of a 52-day calendar month coupon book between East St. Louis and Granite City is to be raised from \$2.60 to \$3.50.

## 25 YEARS AGO

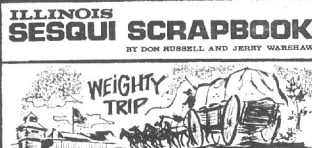

APRIL 25, 1943

Temporary disruption of part of the Granite City outfall sewer pumping station facilities by a bolt of lightning or a fire has resulted in a proposal by the U. S. Engineer Depot to take over the station lock, stock and barrel. The plan will be discussed at the city council meeting.

A sedan crashed into the front of Nick's Ice Cream Parlor, 1312 Nineteenth street, demolishing it and damaging equipment inside the place.

Juanita Rebekahs held an Easter party at the 100F hall, the program including songs and readings by Phyllis and Shirley Lynn, Loretta Bridges, Janet Meng, Catherine Bridges and Lyle McCloud.

Mrs. Walter F. Coolidge and Mrs. Robert E. Chapman were winners of first and second prizes for poems submitted at the spring meeting of the 22nd District, Illinois Federation of Women's Clubs, in Nashville, Ill.

IN AUGUST, 1829, J.G. SOLLARD OF GALENA SENT 3,000 POUNDS OF LEAD BY WAGON TO FORT DEARBORN. THIS IS SAID TO HAVE BEEN THE FIRST WAGON TO PASS BETWEEN THE MISSISSIPPI RIVER AND CHICAGO. THE TRIP TOOK 11 DAYS. THE EMPTY WAGON MADE IT BACK IN 8.

## City, Retailers Acting to Improve Downtown Area Traffic, Parking

Accelerated planning and cooperation by the municipal government and downtown retailers give hope that some of the more pressing problems of the Granite City central business district will be alleviated. Revamping of traffic controls has been a mixed blessing, at best, but so far it is off "dead center." Further adjustments of signals along Edison avenue, newly a two-way street, may offer a solution to the continuing congestion. The parking lot plan disclosed at this week's city council meeting may usher in a new era of recognition that adequate and convenient parking must be provided in order for any commercial area to thrive. Installed at merchants' expense, the \$40,000 lot in the 1800 block of Edison avenue is to be acquired by the city with parking meter funds and then sold to the city. These steps are only a beginning, but they are steps in the right direction.

## Efficient Service By the Initial Chain of Rocks Canal Lockmaster

Thirty-six years represents many lockages and a tremendous amount of waterborne shipping, but Roy Elliott took it all in stride during his long service as a lockmaster, including the last 17 years at the Chain of Rocks Canal in Granite City. Spectacular as are the statistics of freight volume and the dimensions and weight of the equipment, the local locks have been operated unspectacularly, achieving both safety and efficiency. The largest of the two Granite City locks, 1200 feet in length, is bigger than the famed Panama Canal locks and was the largest in this hemisphere at the time of its construction. It still is unsurpassed, but has been equaled elsewhere.

Elliott has seen it all, from canoes to ocean-going vessels, since the locks here were opened. He has supervised handling of the Mississippi River traffic while it has undergone an increase of more than five times, reaching 43,243,645 tons in 1967. In his retirement, he can look back with pride on his Army Corps of Engineers career in the knowledge that his expertise contributed much to one of this community's major tourist attractions—facilities that play an indispensable role in the commerce and economic well-being of not only this region but the nation and world.

## SUGGESTS WEEKLY FLAG TRIBUTE TO WAR DEAD

To the Editor:  
About noon on April 5, I was sitting in my living room watching television, as was all America, listening to the news of the death of Dr. Martin Luther King Jr. A few minutes after twelve, the President made a proclamation that all American flags be flown at half-staff until after the funeral of Dr. King.

Since that day, I have been pondering in my mind, as I am sure others have, the proclamation. I have read about and listened to Dr. King, as I have read about and listened to other great people of this nation. Also, I listen to the daily news and read the papers about the war in Vietnam.

Everyday of the week, boys from this great country are being killed in Vietnam because they believe in this great society. They are husbands, fathers and sons, black and white, fighting for the freedom of other people.

The only tribute they receive is a mention in the local papers of the city in which they live and inclusion in the final number of soldiers killed the previous week. There might have been in that number the names of Kings, President Kennedys and great leaders of the future if they could have only lived a full life.

No one will ever know—because they gave their lives at a young age, before they had a chance to become mature men. I feel and I am sure other people do, especially wives, mothers and children, that these boys, giving their lives everyday, are as important as any one person in this United States of America.

## Boy Scout Council Saluting Camp Donor, 50-Year Members

Deserved honors were accorded by the Cahokia Mound Council, Boy Scouts of America, at two gala gatherings held only a few hours and 90 miles apart last weekend.

In activities concluded shortly before 11 p.m. Saturday at SIU-SW, the council saluted a large number of award winners, including three whose contributions to the scouting movement here are unique in their scope and duration. Carl Graham, a 48-year executive board member and 50-year scoutmaster, has been instrumental in development of two camps. The only surviving charter member of the council, he has set an outstanding example of service to youth. Judge Austin Lewis and James H. Adamson likewise have scoutmaster records spanning a half century, serving as members and leaders of virtually all phases of the program.

Early the next morning, about half of the 400 appreciation dinner participants climbed into autos and buses for the journey to Camp Sunken, near Potosi, Mo., where they honored Joseph Sumner for making the attractive Ozarks site available to the council since 1952. A stone column and metal plaque there will call permanent attention to his generosity.

Such men as Sumner, Carl Graham, Adamson and Lewis have been real friends to the youth of Madison and Bond counties, and are living examples of the ideal that "on my honor, I will do my best to do my duty to God and my country."

## Time to Register for Voting This Year

Register to vote, say the Democrats. Register to vote, say the Republicans. Registration campaigns in the Quad-Cities no doubt aid the former more than the latter, since Democrats are more numerous here, but the objective of full election participation is one that benefits all citizens.

Registration alone does not guarantee that an individual will cast a ballot, but it avoids loss of the right to vote. This is a vital right—one for which countless millions of people have given their lives, and one that must be exercised if it is to retain its meaning and vigor.

Persons now registered, including those just becoming 21 and those who have moved to this area, have until May 13 to do so in time to take part in the June 11 primary election.

In addition to the county clerk's office in the Madison county courthouse, Illinois Inter-City League is always a festive occasion and it was particularly true this year, with both local entries winning their initial games. Caliber of play in the men's league is indicated by the fact that it has produced four major league players, among them Dal Maxvill of the world champion St. Louis Cardinals. Undoubtedly, future professionals are participating in Inter-City contests this year.

One of the other local team will see action nearly every Sunday of the summer at Wilson Park Diamond No. 1. An entertaining afternoon is in store for those who attend.

## Inter-City Baseball Competition Resumes

Opening of the annual baseball season of the 38-year-old Southern Illinois Inter-City League is always a festive occasion and it was particularly true this year, with both local entries winning their initial games. ## The FORUM

Names and address must accompany each letter but will not be revealed if anonymity is requested. Communications of less than 250 words, those given or not given, will be rejected or edited.

I have talked to my friends and a few people I think should be alerted to the entire issue of "con-con" and especially this year's election. Conscience must be kept alive at this time of our election. I am sure that we will have a voice in our representatives and we will have a voice in our representatives and we will have a voice in our representatives.

As we are independent and voters would have a voice in our representatives and we will have a voice in our representatives and we will have a voice in our representatives.

During a recent trip to Chicago I read a news item in one of the Chicago newspapers that disturbed me considerably. Representative Harold Katz, a Chicago state legislator, has announced his intention to introduce one of the most ridiculous proposals in the history of the Illinois legislature in July.

His proposal states, "All straight party votes cast in the November election would be considered as a vote in favor of the Constitutional Convention."

There is a real question of the constitutionality of such a proposal, but even more important is the ethical and moral issue of votes for an issue appearing on a separate ballot in this manner mystifies me.

Anyone who votes a straight ticket or a straight Democratic Republican does so because they want to vote for the candidates of their party, and to count that vote for any other reason would be crickety at its core.

This is one more form of the many misrepresentations and misunderstandings of the Constitutional Convention (called Con-Con).

Citizens of Illinois should be alerted to this entire issue of "con-con" and especially this year's election. Conscience must be kept alive at this time of our election. I am sure that we will have a voice in our representatives and we will have a voice in our representatives.

After studying this very important issue, I am confident that we will agree with the Illinois State AFL-CIO: "Don't be conned into 'con-con'; vote No!"

## LOU OUT OF TOUCH IN OPPOSING KERNER REPORT

To the Editor:  
Whenever the chief governing body of a nation falls behind its times, it becomes necessary to replace it. A tremendous gap between the way things are and the way we respond has legitimate grievance against a dirty, corrupt and tyrannical government, is a base of popular support, and the people of the North can supply.

America's misconception of the war has cost us dearly: the VC room at will in the Mekong Delta; the Communists control the coastal population centers. In one week, the enemy has the undisputed advantage, all for the simple reason that the only thing we have the fortitude to do is to wait for the enemy to come.

## Parents' Duty to Support Their Children Unaffected by Divorce

(Tri-City and Illinois Bar Associations)

The legal and moral obligation of parents to support their minor children is not terminated by divorce. The Illinois law, parents are liable for the health, welfare and support of a child at least until the age of 18 is reached.

And the parental obligation may continue beyond the age of 18 if the child is continuing his or her education or is unable to care for himself or herself. Whether the parents are divorced or not is of no consequence. Thus, in a recent court decision, a father possessing custody of his child was ordered to finance the education of his daughter, even though she was a minor, even though she was a mother and he was divorced.

The special moral and legal responsibilities of parents toward their offspring are timeless. "Traid up a child in the way that he should go and

When he is old, he will not depart from it." The Bible counsels. The natural duties of parents later were enunciated in early common law.

The great English legal authority, Blackstone, wrote that parents possess "a voluntary obligation to endeavor, as far as in them lies, that the life they bestow shall be supported and preserved."

Today, failure of a parent to provide support and maintenance for his child is a misdemeanor. The penalty is a fine not in excess of \$500, imprisonment not for more than one year, or a combination of the two penalties.

Finally, the legal obligation of a parent to a retarded or handicapped child is a lifelong one, if the parent is able to provide support.

## Advice on Stocks, Tax-Free Bonds

By THOMAS E. O'HARA  
Chairman, National Association of Investment Clubs

Q. We have sold our home and are moving to Florida. We have a balance left over of about \$8000. Being in our late forties, we are not interested in dividends for at least ten years. Can you advise us how to invest this money? Also, we would like to invest about \$150 a month.

A. It always pleases me to receive a letter from people who want to invest money regularly. Regular investing is basic to investment success, so in general, that part of your letter is right.

One of the best ways to invest regularly and at the same time to learn about stocks and the stock market is through an investment club. Here you can not only learn about investing in general but also be exposed to a variety of opportunities for investing further capital.

I would suggest putting perhaps \$250 to \$350 of the \$1500 you wish to invest each month into a club. Then, every three or four months you will have accumulated several hundred dollars extra which you can invest in one of the stocks or tax-free bonds which especially add up to much unless you are in a tax bracket of 50% or better.

As for that \$8000, here's a nice arbitrage judgment. Divide it into four equal parts and buy stocks in (1) a top quality industrial corporation, (2) a good bank, (3) a life insurance company and (4) a good utility.

Q. Please tell me why the commission part of the price we pay on mutual funds is not deductible expense for income tax purposes.

A. Not only is the commission on mutual funds not deductible as income expense but neither is the commission on all stock purchases.

Although it might seem logical that such costs should be deductible, the Internal Revenue Service thinks differently. And the IRS has won its case in court against those who don't agree.

For income tax purposes, here is the proper way to figure mutual fund gains or losses: Record the cost of the stock plus the commission. Record selling price for the stock less the commission. Subtract the two.

Q. My husband and I are in our mid-forties. We have a savings plan in our company. We would like to get more income so that we can have a comfortable old age. Do you think we should invest in tax-free bonds? In that case, I am not inclined to advise tax-free bonds. The tax-free feature of these bonds does not add up to much unless you are in a tax bracket of 50% or better.

No one is very fond of paying taxes. But when you buy these bonds, you forego the opportunity for appreciation which you have in stocks.

This appreciation can do more for you in the long-run than what you will gain in tax-free income.

the Negro in his cold, dark prison.

So the Communists continue to dig in Vietnam. In that case, I am not inclined to advise tax-free bonds. The tax-free feature of these bonds does not add up to much unless you are in a tax bracket of 50% or better.

We bitterly curse the President of the United States, yet many of us seek an alternative to him which amounts only to a different name, a different face, but not a different policy.

And isn't it the policy we are really cursing: the policy which has destined us to defeat abroad and anarchy within?

If Lyndon Johnson leaves the White House and his alter ego moves in, America is going to lose and America is going to burn, baby, burn.

## MADISON HAS LONGEST TAVERN HOURS IN COUNTRY

To the Editor:  
Why does Madison have the honor of having the latest tavern closing hours in Madison county?

Why doesn't the liquor commissioner of Madison bring the issue into closer conformity with the rest of the area?

The general answer to these questions is that some Madison politicians deeply want taverns to prosper. One tavern is administered by a ward-prefect who is not surprised that he might oppose earlier closing hours for Madison taverns.

There is nothing wrong with taverns, but let's have a more reasonable closing time. I think that a 2 a.m. closing time during the week and a 3 a.m. closing hour on weekends would be a good start toward eventual uniform tavern closing hours.

## GC Steel Acquiring New Subsidiary Firm

Plans for acquisition of the Bull-Moose Tube Co. of Gerald, Mo., manufacturers of round and square steel tubing, were announced Monday afternoon by Nicholas P. Veedler, chairman of the board and president of Granite City Steel Co.

Veedler informed Granite City Steel Co. stockholders the action is being taken "in connection with your company's interest in mergers and acquisitions that can prove beneficial." Bull-Moose will become a wholly-owned subsidiary and operate under its present management headed by its president, Donald P. Beattie.

The Bull-Moose firm has current sales of about \$4 millions a year and has recently expanded its facilities. Veedler said, "We are acquiring the firm because it is a profitable operation and a rapidly expanding user of our flat-rolled steel products," he noted.

Ownership is being purchased for cash without issuance of steel company stock. President Beattie of Bull-Moose heads a group of stockholders from whom the company is being purchased.

The company operates a 128,000 square-foot plant and employs about 100 workers, Gerald, Mo. is about 75 miles from Granite City.

## Rites Held Today

Funeral services were held in East St. Louis this morning for Henry Badalich Jr., 41, of Belleville, who died in John Cochran Hospital, St. Louis, after a year's illness. He leaves his wife, two daughters and three brothers, as well as a number of relatives in the Granite City area. Burial was in Mt. Carmel cemetery, Belleville.

**POLITICAL JOKE** by Illinois State Auditor Michael J. Howlett brings chuckles to platform companions at Democratic rally Monday night attended by more than 1000 persons. Howlett was principal speaker. From left—Leon Scroggins,

## Demos Urge Unity, More Registrations

Unity of the party in the November elections and an intensified registration drive as a prerequisite to a heavy vote were keynote topics of a major Democratic campaign rally that brought out a capacity crowd at the Venice-Madison American Legion Home Monday night.

More than 1000 persons—most of them state, county and city employees, precinct committeemen and party workers—overflowed the meeting hall to officially launch the 1968 Democratic primary election campaign in behalf of candidates endorsed by the Madison County Democratic Central Committee headed by Walter T. "Buck" Simmons of Venice as chairman.

Principal speaker was Michael J. Howlett, Illinois state auditor who, in his opening remarks, lauded Cong. Melvin Price of the 24th Congressional district (which includes the Quad-City area) as one of the giants in government today. Howlett, a candidate for reelection this year, told the crowd that "the day is not too far distant when Melvin Price will become 'Speaker of the House.'" Price was in Washington and unable to attend the meeting.

Other speakers who made only brief remarks included Miss Fannie Jones, East St. Louis school teacher who is the first Negro ever to run on an Illinois state ticket for a major

state's attorney; John Kraynak, county auditor; Walter T. "Buck" Simmons, chairman of the Madison County Democratic Central committee; Howlett, and Miss Fannie Jones, first Negro ever to run on a state ticket.

## Trail Riders Host County Trailblazers

The Trail Riders Saddle Club members were hosts to the Madison County Trailblazers Club for a special trail ride this week. Members of the two clubs met at the local club's horse arena for the ride that took them to the levee and to the Chain of Rocks Bridge. About 50 members of both clubs attended, with 30 adults and children participating in the trail ride.

Refreshments were served by the host club on the return of the ride. The Madison County Trailblazers Club is affiliated with the sheriff's office in Edwardsville and can be called upon for special searches or help in a dress area for Madison county.

Eugene Braundmeyer, president of the visiting club, extended an invitation to the local group to attend a benefit dance being sponsored by the sheriff's hall on May 25 at the VFW Hall in Edwardsville.

## Worley Farm Elected To American Angus Group

The Worley Farm of Granite City have been elected to membership in the American Angus Association at St. Joseph, Mo. It was announced by a Glen Bratcher, secretary. There were 563 memberships issued to breeders of registered Aberdeen-Angus in the U. S. during the past month.

After years of campaigning, we successfully obtained legislation which now requires local government units of every type to meet standards of accountability previously required of municipalities and school districts. Illinois will now become the best-audited state in the union."

Howlett said the Democratic party throughout the country has "provided responsible, sane, progressive administration of government... we have the candidates, the issues and the organization for a victory at the polls this November."

## 530 Signers on Red Dust Petitions Given to Council

Petitions, signed by about 530 persons calling for council action in the event Granite City Steel Co. is unable to halt its red dust nuisance, were presented to the Granite City council Monday night and were referred to the city's Air Pollution Control board.

There was no discussion on the petitions other than a comment later in the meeting, who said the air pollution control board office is being flooded with complaints.

The petitions were signed by persons living on 12th, 13th, 14th and East 20th street, as well as Meridian, Rhodes,

lows, East 24th, Russell, Washington, Lee, Park and Monroe streets in the vicinity of the basic oxygen furnace, as well as Nameoki road, Victory drive, Hodges, Delta, Franklin, State, Indiana, National, Jenden, Davis, Cleveland and Benton streets.

The petitioners pointed out their homes and autos were being discolored by the air pollutant and that they were faced with property damage and medical bills.

## Mrs. Kraus

### Gives Program

"Take Time To Meditate" was the program topic presented by Mrs. Jo Ann Kraus to the members of Chapter KU, PEO Sisterhood, Monday at the home of Mrs. Jo Ann Burek, 2586 Spalding avenue.

Nineteen members attended the meeting presided over by Mrs. Lee Schafer, president. Plans were completed for the chapter delegate, Bessie Coolidge, to attend the Illinois State Chapter convention in Chicago on May 16-18.

During the social hour a card shower was given for Mrs. Jean Maxwell in honor of her birthday and Mrs. Bess Spengler for her 25th anniversary.

The next meeting will be May 14 with Mrs. Jane Hulce, 2904 Fortune drive.

## Flower Show Friday at Rink

A Standard Flower Show sponsored by the Cloverview Garden Club will be held on Friday, April 26 at the Recreation Center-Rink at Wilson Park.

Mrs. John Jenkins, chairman, said today the hours will be from 1 to 8 p.m. with judging on all flowers and arrangements.

The public is invited.

## FORMER TEACHER IS ENGAGED

From Colorado comes announcement of the engagement of a former teacher in the Granite City school system, Miss Carol Meimann, to Lt. Phillip G. Ehemann.

Miss Meimann, a daughter of Mr. and Mrs. Lester J. Meimann of Nevada, Iowa, is now teaching in Englewood, Colo. Her fiancé was graduated from Lake Forest College, Lake Forest, Ill., and is presently assigned to Grand Forks Air Force Base in North Dakota. The wedding is planned for Aug. 3 in Iowa.

## RETURN FROM EAST

Mrs. Ruth James of Glen Carbon and Miss Donna Wilard of Granite City have returned from Charleston, S. C., where they visited Mrs. James' son, AlC Michael W. James at the Charleston Air Force Base. While there they went on several sightseeing trips.

MISS JANICE FRYNTZKO, fiancée of James Fryntzko, 2545 Boyle avenue, and Mr. and Mrs. Leo Fehner, 720 North 76th street, East St. Louis.

## MISS HINSON AIDS ORGANIZATION OF UNIT

Miss Dorothy Hinson, Eight & Forty Departmental Chapter, was instrumental in forming a new Salon in Robinson, Ill., this week.

Eleven new members were initiated and eight transferred from neighboring groups. The organizational meeting consisted of the initiation ceremony, business meeting, installation of new officers, dedication of flags and the presentation of the charter. Attending with Miss Hinson were Miss Fannie Ulrich, Mrs. Kathryn Fellers, Mrs. Helen Menendez, Mrs. Sally Finley and Mrs. Norma Hillmer.

## Sharon Bartosiak Elected May Queen

Sharon Bartosiak, daughter of Alderman and Mrs. Edmund D. Bartosiak, 2326 Edison avenue, was elected May Queen at Granite City high school Monday.

Coronation ceremonies will be held during the annual May Day program set for 8:15 p.m. May 9 and 10 in the school auditorium. The program, entitled "Attic Antics," is sponsored by the Girls Athletic Association.

Elected first attendants were Mary Chapman, daughter of Mr. and Mrs. Howard Chapman, 2222 Pershing avenue, and Robyn Robertson, daughter of Randall Robertson, 2914 State street, and Mrs. Pauline Robertson of Cambridge, Mass. Second attendants named are Debbie Berger, daughter of

SHARON BARTOSIAK

Mr. and Mrs. Ted Berger, 2121 Richmond avenue, and Jane

Parmley, daughter of Mr. and Mrs. James Parmley, 2720 Grand avenue.

Selected as pages were Cheri Graham, Cindy Melford and Phyllis Prazma.

Miss Bartosiak, a graduating senior, is a cheerleader and an usherette and is a member of the Student Council and the Pep Club. She was a member of the Homecoming coronation court last fall.

Plans for the May Day program call for about 20 acts with all of the girls gym classes participating. Performances will include tap dancing, apparatus, modern and Maypole dancing, free exercise and the professional.

A dress rehearsal will be held on May 7, and a matinee for children will be presented at 4 p.m. May 8, with tickets at 10 cents at the door.

### Mrs. William Lyons Now Practice Teaching

Mrs. William Lyons, the former Margaret Anne Harlan of Granite City, currently is practice teaching (English) at Jefferson junior high school, Columbia, Mo.

A senior at Missouri University, she is a candidate for a degree at the June 4 commencement. A 1964 graduate of Granite City high school, she is the daughter of Mr. and Mrs. Lee Harlan, 1611 Clark avenue.

He singled out for praise Jon Reggie Teague, shown in the other photo accepting a national meritorious award and life-saving action from Council Vice-President Victor Drexelius. Teague, an explorer in Concordia Lutheran and Church Post Six, last year rescued Harvey Leonard of Madison from the bottom of a swimming pool and revived him by artificial respiration.

### Yates King Candidate

Ron Yates of Granite City is one of four candidates for king of the annual May Fete to be held at Peru, Nebr., State College at 7 p.m. May 3. Circus entertainment, "Under the Big Top," will be featured. The identity of the king and queen will be revealed at the time of the coronation.

### VFW Junior Girls Elect New Officers

The Junior Girls Unit of the Veterans of Foreign Wars met Tuesday evening at the Post Home and elected the following new officers:

Debbie Kierski, president; Marcena Robertson, senior vice-president; Donna Sanders, junior vice-president; Nancy Schnefke, treasurer; Cathy Leisner, chaplain; Cheryl Schnefke, secretary; Elizabeth Acosta, patriotic instructor; Jo Ann Acosta, historian; Pat Schnefke, conductress; Betty Picholinski, assistant conductress; Vickie McMurtry, guard; Debbie Schnefke, Carlene Robertson, Dava Gibson and Becky Robertson, color bearers; Janis Worchoi, flag bearer; Christina Acosta, banner bearer; and Rosemary Krawiecki and Karen Ylikopas, assistant color bearers.

The installation ceremony will be June 10 at the Post Home.

### 11 GC Students Attending Mock State Legislature

Eleven Granite City high school students are assuming positions as state senators and representatives today through Saturday at the 19th annual Youth and Government conference at Springfield.

The conference, sponsored by the YMCA, gives youths a chance to take over the Illinois Legislature in a series of mock sessions. More than 450 students are participating.

In Granite City's delegation are Jean Graklanoff, acting as chaplain of the House, Cheryl Clark, Vicki Couch, Wendy DeCatur, Laura Jones, Pat Patton, Nancy Prusak, Linda Rains, Sue Taylor and Molly VanBurskirk.

Each group is to submit at least one bill for consideration. Last year, a measure requiring

all motorcycle drivers to wear safety helmets and later was voted into law by the General Assembly.

The Granite City delegation will introduce two bills. One will be to raise the compulsory school age to 18 or until graduation from secondary school. The other concerns purification of water.

## Jr. Achievement Liquidation Sale Set This Weekend

Fifteen teenage corporations from the Granite City Junior Achievement center will hold a liquidation sale Friday and Saturday at the Nameoki Village shopping center.

The sale is being held to help the companies clear year-end inventories and to give the public an opportunity to see how Junior Achievement works.

Nearly thirty gifts, contributed by merchants in the shopping center, will be given away as prizes. Included will be a

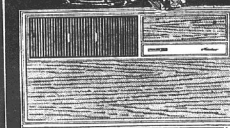

portable television set, a transistor AM/FM radio, three \$10 gift certificates, several \$5 gift certificates, an automatic camera, electric scissors, an AM/FM table radio and 25 gallons of gasoline.

Hours of the sale are 4 to 9:30 p.m. Friday and 9:30 a.m. to 9:30 p.m. Saturday.

The center, located at 3307 Wabash avenue, has given more than 300 high school students an economic education in the free enterprise system this year. JA teenagers organize and operate their own corporations with only adult, advisory assistance.

Participants will include Kathy McCalla of Granite City, who will be at the keyboard for Handel's "O Sling Unto the Lord," and baritone Raymond Voorhees of Granite City, who will be featured in a Negro spiritual.

Members of the select choral are chosen after intensive auditions. Directed by Leonard Van Camp, assistant professor in SIU-SW's fine arts division and head of choral activities, the 54-voice choral was organized three years ago.

## Three GCHS Juniors Take Chemistry Test

Three Granite City high school juniors, Thomas Schwager, Pat Schilling and Barbara Bartels, competed in an American Chemical Society test held Saturday at the St. Louis College of Pharmacy.

The test was conducted to compare the outstanding students of the greater metropolitan area.

## 24 GC Students To be Honored at U. I. Convocation

Twenty-four Granite City high school graduates will be listed in the printed program for this year's Honors Day Convocation at the University of Illinois at 1:30 p.m. May 3 in the university assembly hall.

The U. of I. gives public recognition to those full-time students who have been on the semester deans lists for all semesters they were enrolled since the last convocation day. Freshmen are considered if they are on the dean's list of their college during the first semester enrolled.

The students will have their names printed in the Honors Day book and the distinction will be recorded on their permanent university records.

The students are Susan Lisbeth Awalt, Gloria Lucille Caban, Robert Cornel Eckert, Barbara Jean Fifield, Michael Gene Flach, Terry Edward Flach, Keith Alan Gauen, Leroy Edwin Gilbert, Dean Paul Jones, Diane Sue Kinney, John Wesley Kozak, James Elvis LeGrand, Virgil Lee Malmberg, Barrie Joan Massie, Judy Carol Matras, Terence S. Murtagh.

## Latin Week Celebrated By Students at GCHS

The Latin Club at Granite City high school is observing Latin Week this week, celebrating the 2721st birthday of Rome. Students are dressing in Roman costumes, wearing badges imprinted with slogans, circulating posters and showing a display of Roman influence which includes a model of Hadrian's villa, built by Debbie Votupai, and full color pictures representing the "glory that was Rome's."

Linda Diane Osuchowski, John William Prater, John David Rummel, Mary A. Rummel, Nancy Lee Schmedake, Patricia M. Skubish, Karen Ilene Tegel and William Craig Winter.

## GC Honor Society to Initiate on May 14

Debbie Berger, president of the National Honor Society at Granite City high school, has selected committee chairmen for the fall semester. They are Martha Edmonds, food; Joyce Shepard, pro-

grams; Brad Griffith, set-up; and Tom Carmody, clean-up. New members will be initiated May 14. Rich Wenner, Charles Douglas, Bob Ashcraft and Alice Ralls will speak on "The Interpretation of Club Ideals."

On the food committee are Anita Hoedbecke, Sharon Joyce and Cynthia Boyer.

## GCHS Groups Planning To Take Spring Trips

Several organizations at Granite City high school will leave for annual trips during the last week of April and the first week of May.

The school band will leave for New Orleans on Monday and return on Friday. The musicians will travel by bus, will perform at schools and will do some sight-seeing.

Masque and Gavel members will leave by bus Monday for New York City for a week of Broadway shows, famous restaurants and tours.

The club will see "Happy Times" and "Rosencrutz and Guildenstern Are Dead." Activities will include a tour of the United Nations building and meals at Sardi's, Mama Leone's and The Bitter End. Junior Leadership will be on a camping trip Friday and Saturday and will visit the St. Louis Childrens Home on May 4.

Senior Leadership is planning a trip to Trout Lodge in Missouri on May 17 and 18. The

girls will canoe, ride horseback and swim.

Quill and Scroll will attend the play "Man from La Mancha" in St. Louis and dine at the Crestwood on May 4. A trip to Chicago was cancelled because of lack of funds.

## High School Graduates Advised on Employment

The most promising employment fields for high school graduates entering the labor force permanently this year are in the service occupations, Secretary of Labor Willard Wirtz has reported. In urging the nation's 1968 graduates to pick a job with a future, Wirtz cited the following occupations as having the best employment outlook for the next several years: airline reservation agent, airline stewardess, appliance servicemen, bookkeeping worker, cosmetologist, electrician, draftsman and welder.

Wirtz pointed out that a high school graduate must be careful to pick a job with a future, since many jobs open to them are more vulnerable to changes in technology than jobs requiring a college education. Other growing fields include secretaries and typists, and office machine operators to man billing, calculating and duplicating machines.

Wirtz also asked young graduates to seriously consider the wide range of job opportunities

in the health field before making a final choice.

"You are needed and wanted in hospitals, clinics and laboratories," he said, "The door is wide open for new young workers to fill such jobs as licensed practical nurse, medical record technician, admitting clerk and laboratory assistant."

Wirtz noted that to qualify for a number of job openings, post-high school training is a requirement.

These needed skills can be acquired in a variety of ways, he said, particularly through the on-the-job training, apprenticeship training and skill training available under Manpower Development and Training Act programs.

This May and June 2,693,000 young people will receive high school diplomas. Eggshoppers in business, manufacturing and service industries are already scouting the schools and local public employment offices for diligent and ambitious young graduates.

THE NU-BREEDS, "short-haired" combo who will play at a teen dance to be sponsored from 8 to 11 p.m. May 3 by the St. Joseph's parish Catholic Youth Organization at St. Elizabeth's Church hall. The combo is composed of, left to right, front row—Larry Vandiver, drums; and Leo Millitello, bass guitar; and second row—Dennis Paul Roloff, organ; Kevin Blane, rhythm guitar; and Tom Stewart, lead guitar.

## St. Louis U. Student Carnival This Weekend

The St. Louis University student carnival, "Lavinrac '68" will take place Friday and Saturday.

The carnival, sponsored by Alpha Phi Omega service fraternity of the university, will feature rides, games and refreshments. Nine rides, including three children's rides, 37 game booths, some offering prizes, and two movies will be available to carnival-goers.

Admission to the carnival grounds at Laclede and Teresa is free. Tickets for the rides are 10 cents and 25 cents. Free parking will be available on university lots.

## College Day Set by Eastern on Friday

About 900 high school juniors are expected for "College Day" at Eastern Illinois University, Charleston, on Friday, Murray Choate, director of admissions, said about 50 counselors would accompany the students.

Primary purpose of "College Day" is to acquaint high school students with the campus in the general and academic departments of their choice specifically.

## Auto Design School Planned for Youths

High school students with an urge toward automobile design will get first-hand advice from specialists in the field at an automotive styling school June 9-15 at Allerton house, University of Illinois conference center.

The school, intended for boys and girls who will be high school juniors or seniors in September, will be conducted by the U. of I. division of university extension and the industrial design option of the U. of I. department of art at Urbana.

Experts from General Motors, Ford and Chrysler will make presentations. Orientation and training in automotive styling will be stressed.

The cost of the week-long school will be \$125 per student, which includes meals and lodging, materials and the educational fee. Enrollment will be limited and applications will be processed in the order received.

NEIGHBORHOOD YOUTH CORPS worker Charles N. Jolly, 17, of Madison, is presented a certificate of achievement from Lt. Col. David V. Fox, deputy commander of the Granite City Army Depot. Taking part in the presentation are Frank Collins (left), acting director for administration, and 2nd Lt. Thomas Kerr, special services officer.

registration forms may be obtained from Prof. Walter J. Johnson, 127 Fine Arts building, University of Illinois, Champaign, 61820.

## Madison Youth Leaves Depot for New Career

Charles N. Jolly, 17, of 911 Iowa street, Madison, a Neighborhood Youth Corps enrollee, left the Granite City Army Depot last week to begin a new career. He has been working at the depot in the Special Services office since last June.

With the aid of the Illinois State Employment Service, he was able to enroll in a new training program under the Manpower Development Training Act. He will be learning the trade of a production machine operator at the Manpower Development Training Center in East St. Louis.

For the next nine months,

while learning his trade, he will receive \$45 a week plus an allowance for transportation. At the end of his training, the organization will assist him in finding a job.

During his training, he also will be afforded the opportunity to study and take the GED test to receive his high school diploma.

Before leaving the Depot, Jolly was presented a certificate of achievement from Lt. Col. David V. Fox, deputy commander.

Col. Fox said, "He has done a good job in the Special Services office, and the Depot family wishes him well in his new venture."

## 58-ers 4-H Club Holds Fashion Show in Troy

A fashion parade was the theme used by the 58-ers 4-H Club for its participation in "Share the Fun" held at the Modern school in Troy Saturday evening. Patty Baele served as commentator for the fashion parade. Thirty-two 4-H clubs took part in the project.

Modeling their version of current fashions were, Denise Lehmkuhl, sac dress; Mary Ann Sturdivant, sports dress; Cheryl Gertsch, garden dress; Mary Jo Lux, cotton dress; Mariann Yevin, print dress; Christy Lombardi, toast dress; Margaret Sturdivant, box coat; Janet Bunselmeyer, nylon dress; Brenda Wadlow, tea gown; Carol Roberts, date dress; Donna Robertson, evening gown; Emily Berger, spring outfit; Janice Hamilton, balloon dress; Susan Mobley, walking suit; Mary Ellen Tolman, can-can dress; Nancy Hamilton, bridesmaid dress; Kim Hunt, flower dress; and Ruth Ann Valencia, street dress and bridal gown.

The girls were accompanied by Mr. and Mrs. Donald Hunt, Mrs. John Tolan, Mr. and Mrs. Raymond Lux, Mr. and Mrs. Angelo Hamilton, Mr. and Mrs. George Yevin, Mr. and Mrs. Gene Roberts, Mr. and Mrs. Ralph Baele, Mr. and Mrs. Nick Lombardi and Mr. and Mrs. Donald Bunselmeyer. Mrs. Bunselmeyer is a co-leader for the club.

The club will hold a food project class at 7:30 p.m. today at St. John United Church of Christ.

Samples of the items they are to take to class will be judged by the other members. Girls enrolled in the "ABC's of Food" are to bring three snicker-doodles cookies; those in "You Learn to Bake," three oatmeal cookies; those in "It's Fun to Cook," a slice of banana bread; and those in "Adventures in Cooking" class, one slice of uniced foundation cake.

The next regular meeting will be held at 7:30 p.m. May 2, at the church.

## Joint Lot for Worthen Park, Parkview School Bus Turns

The Granite City school board decided Monday night to seek bids on creating a 500-foot lot at Parkview grade school, partly on Worthen Park property. The park district will provide \$500 of the cost.

The lot will be of value to park softball players and spectators, and during weekdays it will permit school buses to turn around and unload passengers at school side entrance designed for that purpose.

The lot will be located at the eastern end of the driveway and parking area north of the building.

Because school buses are not permitted by law to back up, and the driveway has been a "dead end," they have been discharged and picked up their passengers on Maryville road, adding to congestion and hazards there.

Permission was granted to the park district to use Parkview restrooms for its summer recreation program. They have outdoor entrances especially for such use.

Miss GC Contest June 8 Other building uses authorized Monday night included: Jaycees Miss Granite City contest June 8 at Granite City high school, with a dress rehearsal, there June 6; Sunday school classes of the First United Pentecostal Church at Maryville grade school; and a West Granite Youth Development dance from 7 p.m. to 10:30 p.m. tomorrow in the Prather junior high school cafeteria.

With Art Supervisor Eugene Alassi as host and leader, 123 Illinois art educators will meet in the GCIS auditorium from 9 a.m. to 1:30 p.m. May 21 for an art conference arranged by William B. Beamer, assistant state superintendent of public instruction.

Permission was given Illinois Power Co. to extend electrical facilities at Parkview to serve a portion of Worthen Park. A line will cross the northeast corner of the school campus.

Grigsby School Entrance It was decided to authorize Leo Wolf, contractor for Grigsby junior high school, to construct two bituminous road entrances, an arch culvert and a gutter at a cost of \$1853, the same unit cost as for other asphalt work at the school site.

"At the time the original contract was made, there was a possibility that Carroll road in front of the school would be widened, and the additional footage of entrance was held in abeyance," Supt. Bob J. Davis told the board.

"The road has not been extended, and we need to extend the entrances to have access to the school."

Continued Drainage Study Board Member Monroe Worthen noted that drainage in the Grigsby school area appears to be unsatisfactory, and urged continued study so that the school district is not "holding the bag."

Holekamp Lumber Co., Mitchell, Ill., was named supplier of construction materials for the May 1-sept. 15 period on the basis of unit prices in its bid. The materials are used by the maintenance staff.

Action was deferred on purchase of sealing material for the GCIS girls' gymnasium floor and the Coolidge junior high gym floor in its bid. The materials are used by the maintenance staff.

Central Brick Work Worthen Brick Contracting Co. was authorized to perform masonry work at Central junior high school, including grinding mortar joints in all concrete lintels repointing with a non-shrinking mortar, removing caulking and re-caulking around all windows and doors, replacing loose mortar in brick joints and filling cracks with sealant.

Material costs plus 5% will be charged, with hourly pay of \$9.75 for a bricklayer foreman, \$9.25 bricklayer, \$7.50 hod carrier foreman and \$7 hod carrier, with double pay for overtime.

The other bidder, William Baker Cleaning Co., bid a flat amount of \$853 and offered a 10-year guarantee.

In the 5-6 vote, Worthen absided. He asked that the board records show that he has no financial interest in the company whose bid was accepted.

May Save Funds on Project The administration recommended acceptance of the Baker bid because it gave a firm price and a long guarantee. The report added that, in many

## Parked Auto Struck

The left front of the auto of Vincent R. Bischof, 3204 Erin drive, parked on 21st street at Adams street, was struck by a hit-and-run driver who made a right turn off Adams at 5:20 p.m. Monday.

## Muzzle Charge Filed

Evelyn Moeble, 1708 Maple street, was charged Monday of allowing a dog to run loose without a muzzle.

"cases," the most economical way to get some jobs done is on a cost-material basis."

The motion to accept the Worthen Co. bid specified that the school district monitor the work to verify the time and materials.

Original bids sought in January were rejected by the board, which had the specifications revised. Only one bid was received in the second call, prompting the third request for bids.

Oliveri Underwood will provide 20 typewriters, less allowance for 11 trade-in machines, for a net cost of \$1940. Triangle Typewriter will provide 19 Olympia typewriters, with 15 trade-ins, for a net of \$1785. The replacements will be used at GCIS and Grigsby junior high.

School furniture bid awards, including file cabinets, bookcases, desks, chairs, storage cabinets and shelving, totaled \$828 from Blackwell Wieland, \$1072 from Triangle Typewriter, 170 from Graham's Bookstore, \$603 from Virco, Inc., and \$59 from Cole Furniture.

Library book binding was awarded to American Bindery on the basis of its low bid on various sizes and quantities of books.

## SIU Spring Enrollment Totals 26,976 Students

Southern Illinois University's spring term enrollment totals 26,976 students on the Carbondale and Southern campus, more than 2400 above the same enrollment period a year ago.

Registrar Robert McGrath said the figure reflects increased leveling of enrollment throughout the school year. The total is only 682 below the record fall count of 27,788.

By campuses, Carbondale shows 18,578 students and Southern 8398. The largest percentage increase is at Southern, up 16% from the 1967 spring term figure.

Included in the two-campus total are 4184 graduate students and 1688 students enrolled in one and two-year associate degree programs through the vocational technical institute.

## Tax Deadline April 30 For Employers in Area

Employers have an important tax deadline on April 30, Jay G. Philpott, district director of Internal Revenue, reports.

This is the due date for reporting and paying both withholding income and social security taxes for the quarter ending March 31.

Employers should report these taxes on the pre-addressed Form 941 furnished them. Employers have until May 10 to file their return provided that their quarterly tax liability has been fully and timely paid to the Federal Reserve Bank or authorized commercial bank.

The completed Form 941 and any tax payment due should be mailed to District Director, Internal Revenue Service, Springfield, Ill., 62704. Further information can be obtained by "Employer's Tax Guide," Publication No. 15. Requests should be mailed to the same address.

**Local Area Drafted**  
Wilbur Wayne Green of Meadville near Mitchell was among a group of young men registered with the Edwardsville draft board who reported last week for Armed Forces induction at the county selective service office.

## Council Tables Service Tax

Granite City council members who are searching for added income, tabled an ordinance to the three-fourths of 1% municipal service occupation tax at Monday night's meeting. The ordinance to cover all service occupations had been placed on first reading last week.

The aldermen decided the tax, which would cover medicines and doctors along with all other types of services, would work too much of a hardship on the many Granite Cityans with limited incomes.

The vote on tabling was 13-3. Favoring the motion were Dallas, Moerlen, Bartosiak, Boyd, Poulos, Green, Rutledge, Basarich, Nann, Parmley, Robinson, Dawes and Johnson. Opposed were Whitmer, Fry and Jarrett.

Council members approved a resolution seeking arterial street designation from the state highway department for Michigan avenue from Troy to James avenue and for Idaho and Oregon avenues from Benton street to St. Paul avenue.

In a letter from the state highway department, the city was advised the state is not responsible for maintenance of Pontoon road west of Maryville road. Alderman Johnson, chairman of the Street committee, said a 200-foot section is in need of major repair or replacement in the vicinity of St. Elizabeth school.

Permission was given for two 600-gallon gasoline tanks and pumps to be installed at the site of a new automatic car wash at 222-224 Madison avenue. The request was made by Sam Wolf of the Miller-Wolf Agency.

In miscellaneous business, the council also tabled an application from Ksd-TV for Cable Antenna Television franchise with poles, wires and cables to transmit television and radio signals and special educational materials and events at a monthly service charge of \$5, with the city to receive 6% of the gross.

Opposing the tabling motion were Aldermen Bartosiak, Whitmer, Poulos and Parmley. David McNair, representing the football and baseball Cardinals, spoke and asked the council that if it entered such a franchise to insert an amendment to prohibit broadcast of events blacked out for the local area so as not to hurt attendance at sport events.

City Atty. Allen reported that the circuit court is seeking more data from Nameoki township officials before proceeding with the township's quo warranto request over the annexation of the Grigsby junior high school site near Pontoon Beach.

Alderman Rutledge, Finance chairman, reported the payroll for the last half of April amounts to \$45,637 and sick leave benefits for the first half of the month amounted to \$1439. Both amounts were approved.

**Traffic Signal Charges**  
Traffic signal violation charges were filed against Robert White, 2404 Grand avenue, at 1:50 a.m. Tuesday at 20th street and Madison avenue, and against Larry L. Lamm, 1819 August street, at 7:45 p.m. Monday at 27th street and Madison avenue.

**Careless Charges Filed**  
Careless driving charges were filed early Tuesday against Donald C. Whitehead, 2857 Highway 67, at 19th and West 20th street, and John C. Estes, 1616 Sycamore street, at 18th street and Madison avenue.

## 14 Area Residents File for Bankruptcy

Fourteen area residents filed bankruptcy petitions during March, according to the Credit Bureau of the Tri-Cities. Those with petitions are: Leon Lucas, 107 Carver street, Eagle Park Acres; Fred Court, 2182 State street; Jackie Charles Cook, 188 Voltaire place; Mitchell; George McCallister, 2146 State street; Raymond George Spiker, 4321 Vine blvd.; Donald Miller, 365 West Chain of Rocks road; Clarence Oliver Boyd, 2722 Center street; Marshall Shanks, 1922 Lynn street; Marion J. Agles, 27 Fontainebleau; Kelly Holman, 2101, Troy avenue; Madison; Marcella Duffin, 1124 Douglas street; Venice; William Slepawick, 125 Weber street; Venice; James Hutchinson, 1419 Third street; Madison; and Eddie B. Holt, 1318 Rhodes street.

**Undergoes Surgery**  
Mrs. Fred Harp, 2783 Washington avenue, is a patient in Jewish Hospital, St. Louis, where she is to undergo open heart surgery today.

## Candy Strippers Plan General Meet May 11

Plans for a general meeting of all Candy Strippers at St. Elizabeth Hospital, to include election of officers and a surprise feature on May 11, were made at a meeting of the steering committee Monday in the hospital library.

Mike Ridge served as chairman, and Lynette Kelley was appointed chairman for the May 8 steering committee session.

Attending were Carolyn Shane, Steve Lasalo, Mike Ridge, Charles Jackson, Julie Meehan, Lynette Kelley and two alternates, Marian Sullivan and Mary Nagle. Assisting were Mrs. Irene Argelan, chairman of volunteer activities, and Mrs. Catherine Pisel, volunteer director.

**Load Shifts onto Auto**  
A load shifted on a tractor trailer truck driven by Donald E. McElhinney, Centralia, Mo., and part of it fell and damaged the parked auto of George J. Smith, 2015 Sherman avenue, at 5:25 p.m. Monday at 18th street and Madison avenue.

**Vandals Damage Auto**  
Vandals broke the left wing of the 1962 auto of Lloyd Ridge, 2411 State street, removed the back seat and damaged the trunk lid trying to open it while the car was parked at his home, he reported at 2:15 a.m. Tuesday.

## Auto Battery Stolen

John Keller, Rural Route One, reported at 8:45 p.m. Monday that a 12-volt battery was stolen from his auto while it was parked on the A&P market lot after 7:30 a.m.
